## FOREWORD

It is with great pleasure and a sense of responsibility that I present the Third Revised County Government Budget Estimates for the Fiscal Year 2022/23. This revised budget is a testament to our commitment to efficient financial management and our unwavering dedication to meeting the needs of our constituents.

Recognizing the invaluable contribution of our county's employees, we have had to prioritize allocation of additional funds to personnel emoluments to cover salaries for June 2023. By allocating those additional resources to salaries, we aim to foster a positive work environment, and ultimately strengthen our capacity to serve the people. We believe that, ultimately, a motivated staff is essential to the delivery of quality services and the attainment of our developmental goals

Moreover, we have taken a proactive approach in addressing the issue of negative vote balances that have accumulated over the last two supplementary processes. The cleanup of these negative balances reflects our commitment to fiscal prudence and transparency. Through meticulous financial analysis and a comprehensive reassessment of priorities, we have reallocated funds to rectify these imbalances, ensuring a more accurate reflection of our county's financial position.

In revising the budget for the third time, we considered all the provisions of the Public Finance Management Act (2012) especially Section 135(1-3) which provides for rationalization and approval of additional expenditure arising from all unforeseen circumstances, or expenditure for which no sufficient funds had been appropriated in prior. Due cognizance has been made of the fiscal responsibility principles and, KSh. 3,095,422,185 (30.71%) has been dedicated to development purposes out of the total third revised budget of KSh. 10,079,114,198.

As required under schedule 2 number 12 of the Public Finance Management Act (2012), the estimates have been captured in the Programme Based Budget (PBB) format with provisions for each spending entity being of: their entity vision and mission; their entity performance overview and context for budgeting; their entity programmes and objectives; summary of expenditure of each entity by programmes, economic classification as well as by programmes and economic classification, and; summary of entity programme output and performance indicators.

In line with our commitment to accountability, we will continue to enhance our financial management systems, improve reporting mechanisms, and foster a culture of transparency. We recognize the importance of effective oversight and will strive to optimize the utilization of resources, minimize waste, and maximize value for money. Consequently, we have provided a detailed breakdown of expenditures and revenues, as well as plans for investing in critical areas such as healthcare, education, and public infrastructure. Again, funding for major initiatives to support economic growth and job creation have been retained recognizing the importance of a thriving local economy for the well-being of county residents.

# **BACKGROUND OF THE THIRD REVISED BUDGET FOR THE FY 2022/23**

## **Introduction**

- I. The third and final revised budget estimates of the County Government of Homa Bay represents ongoing commitment to responsible fiscal management and the effective allocation of resources. In the face of an ever-changing economic landscape, it has provided the opportunity to reallocate funds to rectify imbalances, thus ensuring a more accurate reflection of county government's financial position.
- II. Prior to the preparation of these estimates, a comprehensive look has been taken of the county's revenue and spending projections and necessary adjustments made to ensure that the county stays on track to meet the most pressing budgetary needs. To the extent possible, a continuation of commitment to responsible fiscal management and the long-term prosperity of Homa Bay county has been maintained.

## **Legal Basis**

- III. The Public Finance Management Act, 2012 clearly prescribes the manner in which supplementary estimates are to be prepared and submitted to the County Assembly for approval. Indeed, Section 135 of the Public Finance Management Act, 2012 allows the County Government to spend money that may not have been appropriated if the amount originally appropriated for any purpose under the County Appropriation Act is inadequate or if a need has arisen for expenditure for a purpose for which no amount had been appropriated by that Act, or where money had been withdrawn from the County Government Emergency Fund. This supplementary budget has therefore been prepared accordingly and it has explanations of how the additional expenditure related to the fiscal responsibility principles and financial objectives of the County Government of Homa Bay.
- IV. Whereas section 135 (7) of the Public Finance Management Act, 2012 restricts changes in allocation to specific programmes not to be more than ten percent of the amount appropriated by the County Assembly in any financial year, an exception is allowed in law where the County Assembly can approve a higher figure under special circumstances to bring estimates to levels compliant with provisions of the law in line with the recommendations by the Office of Controller of Budget.
- V. Section 136 of the Public Finance Management Act, 2012 provides that, subject to other legislation, any appropriation that had not been spent at the end of any financial year for which it was appropriated lapsed immediately at the end of that financial year. Pursuant to sub-section (2), all amounts appropriated for the financial year 2021/2022 that were not spent were repaid to the County Revenue Fund and are therefore available for supplementary appropriation in the current financial year (2022/2023).

## Policy Goals

- VI. In view of the change in county administration, the County Government of Homa Bay has continued to review its broad policy goals to include: -
- (i) Ensuring prudent financial management and service delivery buttressed by a transformational, efficient and inclusive governance structure, modernized revenue collection, and improved accountability and assurance;
  - (ii) Providing quality and affordable health services in modern health facilities complemented with an innovative and effective medication supply system, and sufficient, well-trained and well-equipped personnel;
  - (iii) Promoting labour market success through expanded access to high-quality EYE services, improved vocational training and creating pathways to jobs for the youth;
  - (iv) Enhancing food security by investing in transformational agri-food systems for resilient livelihood;
  - (v) Enhancing access to affordable clean and portable water within the shortest possible distance;
  - (vi) Revitalizing the economy through unlocking the potential for manufacturing, trade, blue economy and the digital revolution;
  - (vii) Investing in quality, reliable, sustainable and resilient infrastructure to promote agriculture, trade and overall development;
  - (viii) Conserving the environment and natural resources to provide long-term ecological services while mitigating and adapting to climate change;
  - (ix) Promoting tourism and local cultural heritage through developing and marketing niche experiences; and
  - (x) Promoting social and economic inclusion of historically disadvantaged populations through sports, talent development, economic empowerment and other affirmative actions.

## Fiscal Framework

- VII. In an effort to eliminate imbalances in resource allocation, a proper analysis has been done. Consequently, the total revenue has been raised to KSh. 10,079,114,198 with recurrent expenditure at KSh. 6,983,692,013 and development at KSh. 3,095,422,185. Table 1 below provides a synopsis of the third revised fiscal framework for the FY 2022/23:

**Table 1: Fiscal Framework underpinning the third budget revision in the FY 2022/23**

VIII. The fiscal framework reveals that the County Government of Homa Bay will still be able to implement a balanced budget given that the fiscal gap can be plugged by the balances brought forward from the previous year.

## Revenue Policies

- IX. Realizing the final revised local revenue target of KSh. 818,315,812 has continued to require sustained revenue mobilization measures. Removing obstacles such as the weak macroeconomic framework, non-optimal collection in major revenue streams and administrative failures that continue to underpin leakages in the OSR system remain as priorities of the County Government now and going forward.. Consequently, vibrant measures to achieve and sustain a strong revenue performance in the County will remain in place.
- X. The County Government will continue directing its effort towards formulation of relevant laws and policies to underpin revenue measures. The resource mobilization unit is also being strengthened so that the county will be better able to tap into Public Private Partnerships, performance grants and CRA allocations with respect to fiscal discipline and effort. Equally, revenue management is being streamlined through introduction of performance contracting, redeployment, rotation and capacity building of revenue staff.

## Expenditure Policies

- XI. The County Government of Homa Bay remains committed to ensuring prudent application of public resources to maximize benefits to the public. Given the decrease in fiscal space for development projects, it has become imperative that ongoing projects are given prominence. In this budget, more effort has been directed at completing and operationalizing ongoing projects that could have greater impact on the welfare of citizens as well as priority projects for the Genowa Administration;
- XII. As part of the county effort at the county to improve absorption of development funds, allocation to development projects will remain restricted to those projects that meet the minimum preparation criteria such as:

- (i) Proof that public land already registered in the name of the county exists for the proposed project;
- (ii) All the necessary approvals from NEMA, WARMA or any other government agency responsible for compliance had been obtained for the project;
- (iii) A comprehensive site plan indicating where the proposed projects will be placed on the wider plan; and
- (iv) Detailed designs and Bills of Quantities for the proposed project which form the basis for any costing (allocation of funds) for the project.

## Pending Bills

- XIII. The County Government of Homa Bay has committed itself to clearing priority pending bills that the Office of the Controller of Budget (OCOB) and Kenya Revenue Authority (KRA) has certified as urgent. As a consequence, the County dedicated some KSh. 452,086,561 towards clearing the stock of pending bills. Table 2 below provides a breakdown of those pending bills by spending entities and progress made in clearing them.

## Fiscal Responsibility

- XIV. The Constitution and the Public Financial Management (PFM) Act, 2012, set out the fiscal responsibility principles to ensure prudence and transparency in the management of public resources. In managing the county government's public finances, the County Treasury has often strived to achieve the fiscal responsibility principles as follows:

### Compliance with Requirements for Development Spending

- XV. The County Government of Homa Bay has ensured adherence to the required ratio of development to recurrent expenditures of at least 30:70 over the medium term, as set out in the PFM Act. Out of a resource envelop of Kenya Shillings 10,079,114,198 development

expenditure is expected to be Kenya Shillings 3,095,422,185 representing 30.71% of the final revised expenditure estimates for the financial year 2022/23.

### **Compliance with Requirements for Wage Expenditure**

- XVI. The County Government will strive to implement the PFM regulation 25(1) (a) (pursuant to the provisions of Section 107(2) (a) of the PFM Act of 2012) which requires that the County government's expenditure on wages and benefits of public officers shall not exceed 35 percent of the County government's total revenue. Whereas the personnel emoluments in the third revised estimates for the FY 2022/23 constitute 45.57% of the county's total revenue, measures are being instituted to meet this requirement as stipulated in PFM regulations 25(1) (b) (County Regulations) within the next three years.
  
- XVII. Additionally, the County Executive Committee member responsible for finance will be presenting a compliance statement to the County Assembly as soon as that becomes practical after a comprehensive HR audit is completed so that a rationalization programme can be put in place.

## **Financial Reporting**

XVIII. The county government will continue to improve its human resource capacity in the area of financial management by capacity building the existing personnel while recruiting skilled ones. There shall be intermittent use of IFMIS in all points of fiscal transactions and financial management. In addition, the county government shall ensure reduction of audit queries by using appropriate accounting policies in accordance with International Public-Sector Accounting Standards (IPSAS).

## **Assets and Liabilities**

XIX. Pursuant to requirement of Section 149 (1) of the PFMA, 2012, each spending entity of the county government shall ensure that their resources are used in a way that is; lawful and authorized, efficient, effective, economical and transparent. This shall be achieved by ensuring each entity maintains a fixed asset register and the county government shall include assets and liabilities inherited from the defunct local authority in the financial statements.

## **Management of County Public Funds**

XX. The county government of Homa Bay is focused on putting in place all the relevant legal measures to operationalize all funds for which the CEC Member for Finance will need to appoint an administrator. In terms of Car loans and Mortgages, the county shall ensure that all such loans are repaid (with recoveries being done via the IPPD system), custody is kept of all collateral and quarterly financial statements submitted to the County Treasury with a copy to the Office of the Controller of Budget in line with requirements of Section 168 (3) of the PFMA, 2015.

XXI. In recognition of Section 110 of the PFM Act that permitted the creation of County Emergency Fund, all withdrawals from the Fund shall be done according to the law and approval shall be sought from the County Assembly pursuant to the provisions of regulation no. 197 of the PFM Regulations, 2015. In total, KSh. 25.89 million has been allocated for emergency purposes and shall be spent in accordance with the provisions of the Homa Bay County Emergency Fund Act.

## **Management of Fiscal Risks**

XXII. The county government is subject to general and specific developments with potentially significant impact on the county and national economic environment. If these developments materialize, the County may not be able to raise revenue as projected or spend within the budget. It is therefore always prudent to be prepared to mitigate the impact of such developments.

## Handling of Expenditure Arrears

XXIII. Accumulated expenditure arrears have related mainly to salary arrears of the defunct local authority staffs and pending bills due to contractors and suppliers of goods and services as well as utility backlog still adversely affecting budget execution in subsequent financial years. As a coping mechanism, the county has prioritized budgeting for pending bills in the medium-term framework as such liabilities are getting verified and being included in the subsequent budgets.

## Balance of Required Resources

XXIV. All the fourteen (14) spending entities of the County Government of Homa Bay require resources to carry out both recurrent and development mandates for the whole year. To address their needs, KSh. 6,983,692,103 will be available for recurrent activities including personnel emoluments (KSh. 4,593,085,754) and recurrent programmes, operations and maintenance (KSh. 2,390,606,259). For development, including acquisition of non-financial assets as well as construction and installation works, KSh3,095,422,185 will be made available.

XXV. In terms of percentage allocations, the highest budget receiver will be the Department of Health that has been allocated a total of KSh. 3,126,643,508, being 31.02% of the county's total budget estimates. This is followed by allocations to the County Assembly at KSh. 1,197,878,114 (11.88%), to the Department of Roads at KSh. 1,075,385,374 (10.67%), to the Department of Education at KSh. 994,009,766 (9.86%), and to the Department of Agriculture at KSh. 689,111,111 (6.84%). In all, the social sector (health, education and gender) will account for 43.07% of the total budget, followed by administration, productive and infrastructure sectors at 28.43%, 14.84% and 13.67% respectively. Table 3 summarizes the allocation for both recurrent and development purposes by entity.

## Budget Framework

XXVI. Pursuant to provision number two of the second schedule of Public Finance Management Act, 2012; estimates of expenditure have been structured within a performance-related framework with a focus on the medium term. For each spending entity, details have been provided of the mandate, context of budget intervention, programmes and their objectives, summary of expenditure by programmes, summary of expenditure by economic classification and summary of programme outputs and performance indicators. The objectives were thought of first before the amount required to achieve them were determined.

## Expenditure Outlook

XXVII. The County Treasury expects the medium term to be marked by more than 10% growth in overall expenditure, considering that effective FY 2023/2024, equitable share receipts for county government may be raised up and revenue effort of the county government has been doubled. Regardless, the County Government of Homa Bay will continue to operationalize a balanced budget rather than a deficit budget over that medium term period. However, should the risk of a shortfall in revenue materialize, the County Treasury shall rationalize the budget and adjust accordingly. Ultimately, gains from cost savings and efforts in mobilization of additional revenue shall be directed at increasing the fiscal space for development especially development of infrastructure. Coupled with an improvement in revenue collection and extra-

budget support from development partners, the fiscal space could be enhanced to accommodate more development expenditure.

## Resource Envelop

XXVIII. The County Government of Homa Bay expects to receive a total revised revenue of Kenya Shillings 10,079,114,198. Table 4 below gives a brief summary of the expected revenue of the County of Homa Bay for the medium-term expenditure period 2022/23- 2024/25

**Table 4: Expected Revenue by Broad Source, 2022/2023 (in Kenya Shillings)**

## Expected Challenges

XXIX. The biggest challenge to the fiscal framework of the County remains the persistent increase in expenditure pressure that is not matched by growth in grants and other revenue. Revenue shortfalls, especially Own Source Revenue (OSR), and delayed exchequer releases have continued to undermine the expenditure plan of the county thereby constraining the envisaged growth. Fully operationalizing the devolved units will also require additional expenditure as is the cascading of information management systems such as IFMIS and e-PROMIS.

## Managing the Wage Bill

XXX. Section 107(2)(b) of the PFM Act of 2012 provides that the County Government expenditure on wages and benefits shall not exceed a percentage of the County Government's total revenue as prescribed by the CEC Member for Finance in regulations approved by the County Assembly. Regulations 25(1) (b) of the PFM for County Government (2015) prescribes that percentage to be 35%. For Homa Bay Government, expenditure on compensation to employees (including wages and benefits) has continued to exceed the ceiling of 35% provided in the PFM Act and its operationalizing regulations. For the FY 2022/23, the third and final revised expenditure on wages and benefits is at 45.57% of the total revised estimates compared to 41.98% in the printed estimates.

## THIRD REVISED ESTIMATES OF REVENUE FOR FY 2022/23 BY ECONOMIC CLASSIFICATION

## REVISED ESTIMATES OF EXPENDITURE FOR FY 2022/23

### Tota Expenditure Breakdown by Vote

Due to a need to rationalize expenditure by the County Government of Homa Bay for the FY 2022.23, this third and final supplementary amounting to KSh10,079,114,198 has been prepared. Out of this revised total, recurrent expenditure expenditure is expected to be KSh. 6,983,692,013 (69.29%) up from KSh. 6,711,183,755 budgeted for in the second supplementary budget, whereas the development expenditure is expected to be KSh. 3,095,422,185 (30.71%) down from KSh. 3,308,319,304 budgeted for in the second supplementary budget. The table 8 below provides a synopsis of the revised expenditure estimates by the various Spending Entities of the County Government.

## **DETAILS OF REVISED EXPENDITURE BY VOTES/ENTITIES EXPECTED TO BE FUNDED BY THE COUNTY GOVERNMENT OF HOMA BAY**

## **VOTE 5111: DEPARTMENT OF AGRICULTURE AND LIVESTOCK**

### **A. VISION**

The department envisions ‘An innovative, commercially oriented and modernized agriculture and livestock sector’.

### **B. MISSION**

To improve livelihoods of the people of Homa Bay County through promotion of competitive agriculture, innovative research and sustainable livestock development.

### **C. PERFORMANCE OVERVIEW AND CONTEXT FOR THIRD BUDGET REVISION**

The department is mandated to promote the development of a modern, competitive and sustainable agriculture and livestock sector that contributes to food security, economic growth and environmental sustainability.

#### **Summary of Achievements**

During this FY 2022/23, for the past nine months the Department has managed to: complete Post-Harvest Grain Handling store at Kigoto; increase agricultural productivity and food security through modernized farming techniques and technologies; strengthen animal health and disease control measures leading to improved livestock productivity; enhance access to markets and value chains for smallholder farmers, promote inclusive economic growth; promote sustainable land use practices and natural resource management; reduce environmental degradation; and support research and development to enhance the competitiveness and resilience of the agriculture and livestock sectors.

To fulfill the above achievements, the Department faced challenges among others: inadequate allocation and failure to release funds for the implementation of the sectoral activities; late disbursement of funds to hampering implementation of planned activities; loss of inputs through sale to other regions; low adoption of modern production technologies; limited number of technical extension staff; inadequate transport facilities to boost extension services; low funding levels; limited use of appropriate technology by farmers; slow payment of pending bills from the money allocated for the financial year’s projects; lack of reliable input supply chains; and lack of strong farmer organizations; high cost of production; pests and diseases

Mitigation Measures to address these challenges going forward includes: prioritization of projects and programs of great impact to the residents; development of policies that will instill penalties; budgeting for pending bills and promote prompt payment on a FIFO method;

development of reliable linkages to markets access; leveraging on Public-Private Partnerships to develop alternatives to purely public and philanthropic investments; promotion awareness of drought-resistant crops to enhance food production and encourage environmentally friendly farming practices

### **Revised Outputs for the FY 2022/23**

The Revised Supplementary Estimates III for the department during the FY 2022/23 amounts to KSh. 689,111,111. This comprises of KSh. 197,611,284 and KSh. 491,499,827 for Current and Capital expenditure respectively. The Total allocation has decreased by KSh. 22,581,335 from KSh. 711,692,446 under the FY 2022/23 Approved Supplementary Estimates No.2; the reduction comes out mainly to take care of salary deficit. This therefore translates to a no variance for recurrent expenditure and a variance of KSh. 22,581,335 for development expenditure.

The revised outputs will be:

- Implementation of NARIGP
- Implementation of ASDSP
- Implementation of National Value Chain Project
- Purchase of Tractors
- Supply of seeds
- Construction of ablution block at Kigoto
- Proposed Landscaping Works at Kigoto
- Completion Civil Works at Kigoto grain storage (Drilling and equipping of Borehole, Installation of underground Water tank, Installation of overhead water tank and water pump)
- Procurement of Veterinary Supplies and Materials

## **VOTE 5112: DEPARTMENT OF GENDER EQUALITY AND INCLUSIVITY, YOUTH, SPORTS, TALENT DEVELOPMENT, CULTURAL HERITAGE AND SOCIAL SERVICES**

### **A. VISION**

The department envisions a sustainable, inclusive, equitable and socio-culturally developed county offering vibrant sports, recreation and economic empowerment for all.

### **B. MISSION**

The department exists to formulate, mainstream and implement responsive policies through coordinated strategies for sustained and balanced socio-cultural, sports, recreation, empowerment of vulnerable, marginalized groups and areas for economic development of the county.

### **C. PERFORMANCE OVERVIEW AND CONTEXT FOR BUDGET REVISION**

The County Department of Gender Equality and Inclusivity, Youth, Sports, Talent Development, Cultural Heritage, and Social Services plays a vital role in promoting equality, inclusivity, and social well-being within our county. The department recognizes the importance of creating an inclusive society that values diversity and provides equal opportunities for all individuals, regardless of their gender, age, abilities, or cultural background.

To implement programs, policies, and initiatives that address gender disparities, empower youth, promote sports and talent development, preserve cultural heritage, and provide essential social services to vulnerable populations, the department was initially allocated a total of KSh. 213,221,676 consisting of KSh. 69,100,342 for recurrent and KSh. 144,121,334 for development. This figure has since been revised downwards to KSh. 220,059,599 consisting of KSh. 89,185,425 for recurrent and KSh. 130,874,174 for development.

#### **Performance Overview:**

Over the last eleven months, the Department has made significant strides in advancing its core objectives and achieving impactful outcomes. Some notable achievements include:

**Gender Equality and Inclusivity:** The department has successfully implemented gender mainstreaming strategies across various county departments; supported women empowerment programmes, including skills training, entrepreneurship support, and access to financial resources; and promoted gender-responsive policies and initiatives to address gender-based violence and discrimination.

**Youth Empowerment and Talent Development:** The department has created youth-focused programs that foster entrepreneurship, leadership, and skills development; organized sports tournaments and talent showcases to nurture young talent and provide platforms for their growth; and collaborated with community organizations to provide mentorship for the youth.

**Sports Development:** The department has developed sports infrastructure, including the construction of Homa Bay County Stadium; provided support for grassroots sports programs, talent identification, and coaching clinics; and facilitated county teams to participate in inter-county, regional and national sports competitions.

**Cultural Heritage Preservation:** The department has initiated the documentation and preservation of cultural heritage sites and indigenous knowledge; organization of exhibitions, and workshops to celebrate and promote the county's diverse cultural heritage; and collaboration with local communities and cultural organizations to safeguard and promote cultural expressions.

**Social Services:** The department has been providing essential social services to vulnerable populations, including the elderly, persons with disabilities, and marginalized groups; and collaborated with non-profit organizations and community-based groups to deliver community-driven social support initiatives.

### **Context for Budget Revision:**

Despite the achievements, the department has had to contend with several challenges that require budgetary revisions and increased financial allocation. These challenges include:

- (i) **Growing Demand for Services:** The increasing population and changing socio-economic dynamics have resulted in a higher demand for gender equality programs, youth empowerment initiatives, sports development, cultural preservation efforts, and social services.
- (ii) **Limited Resources:** The existing budget allocation is insufficient to fully address the diverse needs of the department and implement innovative programs. Additional resources are necessary to enhance the impact of our interventions and reach more beneficiaries.
- (iii) **Emerging Priorities:** The evolving social landscape has necessitated a shift in priorities and the introduction of new initiatives to address emerging issues, such as mental health, digital inclusion, and environmental sustainability. These areas require additional funding to effectively respond to the needs of our communities.

In light of these factors, this budget revision has become crucial to ensure the Department can continue its impactful work and effectively respond to the evolving needs of our county. The revised budget will enable the department to allocate resources strategically, expand existing programs, introduce new initiatives, enhance service delivery, and foster greater social inclusion and well-being within our communities.

### **Revised Outputs for the FY 2022/23**

The aim of the department's revised allocation will be towards achieving the following:

- Under the Policy, Planning and General Administration Services, the department has increased provision for personnel emoluments from KSh. 32,185,425 to KSh. 43,440,370. The department has also provided for KSh. 11 Million for operations and maintenance bringing the total allocation to the programme to KSh. 54,440,370.
- Under the Culture and Creative Sector Development Services, the department has provided for cultural and creative activities totaling KSh. 8,000,000. Those activities (especially music, architecture, publishing and cultural heritage development activities) are expected provide outlets of practical, imaginative and creative expression for the various cultural groups in the county.
- Under Social Development and Empowerment Services, the department has provided for KSh. 11,745,055. The allocation will be towards working with organizations and institutions that help marginalized groups of Homa Bay to gain resources they need to be empowered to exploit county's social and economic opportunities. The activities will include creating the legal framework for mainstreaming issues of women, youth and people with disability; supporting their hustles; creating platforms that help amplify their voices and enabling them to access economic opportunities.
- Under Management and Development of Sports and Sports Facilities, the department has provided for KSh. 115,874,174 including KSh. 23,000,000 for the Governor's Tournament and KSh. 122,874,174 for the ongoing construction of Homa Bay County Stadium.

## **VOTE 5113: DEPARTMENT OF ROADS, TRANSPORT, PUBLIC WORKS AND INFRASTRUCTURE**

### **A. VISION**

The department envisions becoming ‘a world class provider of cost-effective, efficient and safe physical infrastructure facilities and services’

### **B. MISSION**

The department exists ‘to provide efficient, safe, affordable and reliable infrastructure for sustainable economic growth and development through construction, modernization, and rehabilitation and effective management of all infrastructure facilities’

### **C. PERFORMANCE OVERVIEW AND CONTEXT FOR BUDGET REVISION**

The mandate of the County Department of Roads, Transport, Public Works and Infrastructure Development is to provide efficient, safe, affordable and reliable infrastructure for sustainable economic growth and development through construction, modernization, rehabilitation and effective management of all infrastructure facilities.

#### **Performance Overview**

Over the past eleven months, the County Department of Roads, Public Works, Transport, and Infrastructure has made significant strides in fulfilling its mandate. We have diligently worked towards improving the quality and accessibility of our infrastructure, ensuring the safety of our roads, and enhancing transportation services. Some key performance highlights include:

**Road Infrastructure Development:** Despite challenges posed by limited resources, the department has been able to successfully complete several road construction and rehabilitation projects., including opening, grading, and gravelling of 158 Km of ward roads and, 53Km of other county roads. The was also abe to facilitate part payment of the pending bills and contracting out of all planned works.

**Infrastructure Maintenance and Upkeep:** The department had prioritized regular maintenance and upkeep of existing infrastructure assets, including roads, bridges, and public buildings. By maintaining 240 Km of ward roads and 82 Km of other county roads, the department has ensured the longevity and optimal functionality of those critical assets.

**Public Works Projects:** The department has undertaken various public works projects, such as supervising the construction and renovation of public buildings. These projects have contributed to improved public service delivery, enhanced community development, and better living standards for county residents.

## Challenges and Mitigating Measures

The department has had to deal with some challenges during execution of the budget, ranging from: inadequate working tools and equipment i.e. laptops, survey equipment, software etc; inadequate budgetary allocation and shortage of skilled staff. To mitigate against these, challenges, the department has had to prioritize the allocation of resources, focusing on the most critical needs; advocate for increased funding from national and county governments; and ensure all equipment and machinery are used to their fullest capacity through scheduling equipment usage efficiently, implementing maintenance programs to prolong equipment life, and prioritizing high-value uses for them. Additionally, the department has considered investing in training and upskilling of existing staff as well as using modern technology. This includes use of software that can help automate tasks thereby reducing the need for staff and equipment.

## Context for Budget Revision

The budget revision has been occasioned by the need to adapt and respond to evolving fiscal challenges. They include:

- (i) **Increased Demand for Infrastructure:** The growing population and economic activities within the county have placed greater demands on infrastructure and transportation systems. The budget revision reflects the county's response to this increased demand and the determination to address infrastructure gaps effectively.
- (ii) **Emerging Infrastructure Priorities and Strategic Objectives:** In alignment with our long-term development objectives, the budget revision has been focused on aligning resource allocation with emerging priorities for better infrastructure to enhance service delivery.

## Revised Outputs in the Third Supplementary Budget Estimates

The Third Supplementary Budget Estimates reflect a revised set of outputs and deliverables for the County Department of Roads, Public Works, Transport, and Infrastructure. These revised outputs are designed to optimize resource utilization and maximize the impact of our interventions. Key highlights of the revised outputs include:

- (i) **Accelerated Road Construction and Rehabilitation:** The budget revision has enabled increased allocation towards road construction and related projects.
- (ii) **Improved Maintenance and Upkeep:** The budget revision has enabled enhanced maintenance activities. This includes regular road repairs and building inspections.
- (iii) **Capacity Building and Human Resource Development:** The budget revision has enabled increased allocation towards capacity building programs and training workshops especially for Project Management Committees.

Ultimately, the revised allocation to the department will be utilized as follows:

- Under the general administration, planning and support services, the KSh. 72,961,073 will be directed towards personnel emoluments at KSh. 67,171,180 and day to day operations for roads and transport services at KSh. 5,789,893.

- Under the public works and maintenance services programme, KSh. 684,885 will be directed towards facilitation for regular field visits to assess the quality of work being done on the roads at KSh. 479,954 and on maintenance of plants and machines at KSh. 204,931.
- Under the road development and maintenance services, the KSh. 1,001,739,416 allocated will be directed towards opening, grading, gravelling and culverting of ward roads at KSh. 400 million; maintenance and improvement of existing roads at KSh. 596,739,416 and plant and machinery maintenance at KSh. 5 million.

## **VOTE 5114: DEPARTMENT OF BLUE ECONOMY, FISHERIES, MINING AND DIGITAL ECONOMY**

### **A. VISION**

The department envisions ‘An innovative, commercially-oriented and modernized Blue Economy, Fisheries, and Mining sector supported by a vibrant Digital Economy’.

### **B. MISSION**

To unlock and expand the minerals and blue economy to unleash its full economic potential and harnesses the power of technology and innovation to achieve the full potential of the fourth industrial revolution (4IR) and sustainable development.

### **C. PERFORMANCE OVERVIEW AND BUDGET REVISION CONTEXT**

The department is mandated to manage and protect the county’s blue economy, fisheries, mining and digital sectors while promoting innovation, growth and equitable access to development opportunities.

#### **Summary of Achievements**

Over the three quarters in this FY 2022/23, the department has: improved management and protection of lake resources through promotion sustainable fishing practices in partnership with Beach Management Units; identified policies and regulations to support the growth of the fisheries, mining, and digital sectors; encouraged innovation and technology adoption in all government sectors, leading to increased efficiency and productivity; facilitated equitable access to aquaculture opportunities, thus reducing pressure on the capture fisheries resources; promoted inter-county and inter-national cooperation and partnerships across the Lake Basin to address shared challenges and opportunities in Lake Victoria

#### **Challenges and Mitigation Measures**

In spite of the achievements above, the department has had to contend with a number of challenges; overfishing and unsustainable exploitation of resources in the lake and along the riparian areas; environmental degradation and pollution from sand mining activities; inequitable access to digital resources, leading to social and economic disparities; limited technological and human resource capacity in these sectors; inadequate legal, institutional and policy frameworks.

Some of the mitigation measures on these challenges include: implementation of science-based management and conservation measures for marine resources; strengthening environmental regulations and promoting sustainable mining and fishing practices; ensuring equitable access

to resources through inclusive policies and community engagement; investing in research and development to enhance technological and human resource capacity and promoting inter-agency coordination and stakeholder engagement to address governance challenges.

### Revised Outputs for the FY 2022/23

The Approved Budget Estimates for the department amounted to KSh. 99,977,625 comprising of KSh. 2,160,000 for recurrent and KSh. 97,817,625 for development. In the Third Revised Estimates, the allocation has increased to KSh. 100,628,111 comprising of KSh. 62,303,386 for recurrent expenditure and KSh. 38,324,725 for development expenditure. The net increment in the recurrent vote was largely meant to cater for personnel emoluments of ICT and fisheries staff hived from departments of education and agriculture respectively.

The third revised allocations are directed at:

- Procurement of cooler boxes
- Construction of Fish Bandas
- Construction of pit latrines
- Procurement of computers

## **VOTE 5115: DEPARTMENT OF EDUCATION, HUMAN CAPITAL DEVELOPMENT AND VOCATIONAL TRAINING**

### **A. VISION**

The department envisions ‘a globally competitive education, training and innovation for sustainable development.’

### **B. MISSION**

The department exists ‘to provide, promote and coordinate quality education and training, integration of information, communication, technology and innovation in a sustainable socio-economic development process.’

### **C. PERFORMANCE OVERVIEW AND CONTEXT FOR BUDGET REVISION**

The department’s is mandated to implement child-centered and play-based curriculum programs, ensure teachers and instructors are well-trained, promote engagement of parents and families, meet high standards of quality and effectiveness education, provide hands-on training skills, develop partnerships with employers and industry groups, provide educational and training opportunities, provide employment services, promote lifelong learning opportunities, conduct research and enhance development activities.

In the FY (2022/2023) under review, the department was able to achieve the following:

- Disbursement of Education Bursary and Scholarship funds to over 24,000 needy and vulnerable students across the county;
- Collaboration with partners to secured hand washing facilities and water purifiers for learning centers;
- Carrying out field assessments to ensure quality education is delivered in all learning institutions; and Partial settlement of pending payments totaling KSh. 3,065,000 for fumigation services rendered in VTCs and the ongoing construction of EYE center classrooms.

In FY 2022/2023, the department was allocated KSh. 853,797,033 including KSh. 727,207,321 for recurrent and KSh. 126,587,712 for development. However, during the second revision of the budget, allocation of the department was KSh. 998,772,611 representing 10.5% of the total county allocation. This amount included KSh. 882,972,611 for recurrent and KSh. 115,800,000 for development expenditures. During the second budget revision, allocation to the department has been revised downwards to KSh. 994,009,766 including KSh. 882,972,611 for recurrent and KSh. 111,037,155 for development respectively.

The department’s second revised allocation will aim at doing the following:

- Under General Administration and Quality Assurance Services, the department has provided a total of KSh. 614,298,745 for employees’ remuneration; a total of KSh. 152,116,231 for the Governor’s scholarship and bursary programmes; a total of KSh.

14,805,135 for office operations and field assessments; and a total of KSh. 99,999,000 for matching fund to implement the feeding program in collaboration with partners.

- Under EYE Services, the department has provided a total of KSh. 80,000,000 for Ward based projects; a total of KSh. 300,000 for refurbishment of Asego Hill EYE center and; a total of KSh. 3,065,000 for settlement of pending payments as was approved by the Office of the Controller of Budget.
- Under Education, Human Capital Development and Vocational Training Services, the department has provided an allocation totaling KSh. 5,172,208 for purchase of Education aids and related equipment for 6No. VTCs; a total of KSh. 20,199,947 as capitation fees for all trainees in VTCs to enhance learning; and a total of KSh. 2,300,000 to acquire ICT related items for the department.

The department encountered several challenges that undermined the achievement of the set objectives, which included the untimely release of development allocation by the county treasury; inadequate funding of planned projects/activities and; long procurement processes affecting the implementation of projects. To address these challenges, the department has prioritized development of policies and legal frameworks to guide each programme. Equally, all initiated procurement processes will kick-off at the beginning of the financial year to enhance absorption of development funds especially the ward-based projects.

#### D. PROGRAMMES AND THEIR OBJECTIVES

Programme	Objectives
CP1: General Administration and Quality Assurance Services	To provide effective and efficient coordination and support services to directorates and departments and ensure quality teaching and learning in all the educational institutions
CP2: EYE Services	To provide quality ECD education to every child in the county
CP3: Human Capital Development and Vocational Training Services	To enhance access to vocational education/training and develop skills, competences, knowledge and right attitudes towards improving employments prospects and realizing potential.

## **VOTE 5116: DEPARTMENT OF PUBLIC HEALTH AND MEDICAL SERVICES**

### **A. VISION**

The vision of the county department of public health and medical services is to become and remain a county free of preventable diseases and controllable ill health.

### **B. MISSION**

The Mission of the Department is to provide sustainable, technologically-driven, evidenced-based and client-centered healthcare services.

### **C. PERFORMANCE OVERVIEW AND CONTEXT FOR BUDGET REVISION**

The department is mandated to build a progressive, responsive and sustainable technology-driven, evidence-based and client-centered health system for accelerated attainment of the highest standards of health to the people of Homa Bay County. This means confronting and overcoming the high disease burden in the county which is well highlighted in Kenya's epidemiological profile.

To fulfill this mandate, the department was initially allocated a total of KSh. 2,477,396,738 including KSh. 2,102,376,217 for recurrent and KSh. 375,020,521 for development, This figure has since been revised upwards to KSh. 3,126,643,508, including KSh. 2,643,586,565 for recurrent and KSh. 463,949,119 for development.

#### **Performance Overview:**

##### **(i) Achievement of Key Targets:**

The department has already made significant strides in achieving the targets set for this fiscal year. The department has successfully implemented various health programs and initiatives that have positively impacted the health outcomes of in the county. These achievements include

- **Expanded access to healthcare services:** This has been achieved by ensuring constant supply of drugs to all health facilities in the county; completion and operationalization of OPDs at the Homa Bay County Teaching and Referral Hospital (HBCTRH) and Rachuonyo South Level 4 Hospital; completion and operationalization of theatres at Rangwe Hospital and Sena Health Centre; completion and operationalization of Renal, Eye and Dental Units at the HBCTRH; purchase and installation of a 40-Slide CT Scan at the HBCTRH; completion and operationalization of Kibuogi Dispensary, Aoch Muga Dispensary and Lieta Kamser HC; and operationalization of telemedicine equipment at Suba South Level 4 Hospital (Sindo). The department has also commenced construction of an Accidents and Emergencies Centre, a Comprehensive Cancer Unit and a 112-Body Funeral Parlour at the HBCTRH.
- **Promoted healthy behaviors:** The department has launched several initiatives to promote healthy behaviors in the community, including a campaign to encourage regular exercise and healthy eating, and providing educational resources to promote mental health and stress

reduction. Towards this goal, the department has paid up stipends to 2,964 CHVs and enrolled them on NHIF.

- **Improved maternal and child health:** The department has implemented programs to improve maternal and child health outcomes, including renovation and full operationalization of the Maternity and New Born Units at the HBCTRH; and completion and operationalization of the Maternity Wing at Ndhiwa Hospital.
- **Strengthened partnerships:** The department has fostered strong partnerships with international organizations, national government agencies and local CSOs to improve health outcomes and reduce health disparities especially in the area of malaria, HIV and TB control and treatment.

## **(ii) Challenges Encountered**

Despite the aforementioned accomplishments, the department has encountered challenges that need to be addressed. These challenges include inadequate funding for critical health services, shortage of healthcare personnel, outdated medical equipment, and limited infrastructure. These factors have hindered the department's ability to fully meet the growing healthcare needs of county population.

## **(iii) Measures to Mitigate the Challenges**

To deal with the aforementioned challenges, the department has put in place additional measures to engage in strategic advocacy efforts to highlight the importance of adequate funding for critical health services; actively pursue grant opportunities from local, national, and international organizations to secure additional funding for critical health services; implement a performance-based budgeting system that focuses on allocating resources based on the outcomes and impact of specific health programs and services; develop and implement workforce development programs to address the shortage of healthcare personnel; develop a comprehensive equipment replacement and maintenance plan to address the issue of outdated medical equipment; advocate for infrastructure improvement projects to expand and upgrade healthcare facilities; and foster strong community engagement and establish public-private partnerships to leverage other local resources and expertise in the county.

## **Context for Budget Revision:**

**Emerging Health Needs:** Our county's health needs have evolved, and new health concerns have emerged in recent years. These include the increasing prevalence of non-communicable diseases, the need for mental health services, and the demand for specialized care for vulnerable populations. The budget revision has been aimed at allocating resources to address these emerging health needs more effectively.

**Infrastructure and Equipment Upgrades:** To enhance service delivery and improve patient outcomes, it is crucial to invest in modernizing our healthcare infrastructure and upgrading medical equipment. The budget revision seeks to allocate funds for the construction of new healthcare facilities, renovation of existing ones, and the acquisition of advanced medical equipment.

**Employee Remuneration and Capacity Building:** Investing in the county's healthcare workforce is essential for ensuring high-quality care. The budget revision was focused on

raising the KSh. 190 million required to pay salaries to health workers for the month of June 2023.

### Revised Outputs for the FY 2022/23

From the third and final revised allocation of KSh. 3,126,643,508, the department will continue to undertake the following;

- Under the policy, planning and administrative support services programme, the revised allocation of KSh. 2,130,213,337 will be directed at paying salaries for existing staff; improving the working conditions of staff and; accommodating staff functions in decent environments.
- Under the preventive and promotive health services programme, the revised allocation of KSh. 339,084,704 will be directed at providing field allowance to CHVs and CHW for mobilization and outreaches; reproductive health training; NHIF recruitment of indigent households; and completion of facilities that are currently under development
- Under curative and rehabilitative health services programme, the revised allocation of KSh. 654,345,467 will be directed at upgrading of the HBCTRH; routine medical supply services including drugs, equipment, laboratory materials and non-pharm items, with a major focus on medical drugs to cushion the facilities; construction works of flagship projects and purchase of water ambulance.
- Under the research and development services programme, the revised allocation of KSh. 3,000,000 will be directed at supporting scholarships & other education benefits for training of highly specialized cadres and implementing evidence-based interventions at individual and population-level.

## **VOTE 5117: DEPARTMENT OF LANDS, HOUSING, URBAN DEVELOPMENT AND PHYSICAL PLANNING**

### **A. VISION**

The department envisions “excellence in land management, proper housing and physical planning for sustainable development of Homa-Bay County.”

### **B. MISSION**

To facilitate improvement of the livelihood of Homa-Bay County residents through efficient administration, equitable access, secure tenure, proper housing and sustainable management of Land resource

### **C. PERFORMANCE OVERVIEW AND CONTEXT FOR BUDGET RE-REVISION**

#### **Mandate**

The mandate of the department is to promote equitable and sustainable use of land, provide affordable housing, and plan and develop liveable and resilient urban spaces. This means having a spatial framework to guide and control development in the county, improve housing conditions, establish and strengthen urban institutions towards sustainable urbanization ,implement local/national and international obligations in the field of human settlement management, build climate resilience of the urban poor, spearhead sustainable urban lakefront planning and development and improve service delivery and coordination of department wide functions, programs and activities.

#### **Summary of Achievements**

For the FY 2022/2023, the department was allocated a total of KSh. 177,543,000 consisting of a KSh, 51,900,253 for recurrent and KSh. 125,643,187 for development. During the first budget revision, allocation to the department was revised upwards to KSh. 264,171,695, including KSh. 41,830,157 for recurrent and KSh. 222,341,538 for development. This revised figure has been used process land ownership for the affordable housing project in Homa- Bay Municipality, the proposed Tom Mboya TTC in Rusinga Island, the proposed Sports Talent Centre in Ndhiwa, the proposed Cultural Centre in Kagan, the renewable Energy Centre in Marindi and the industrial Park in Riwa- Karachuonyo. The department has also been able to grant charters to additional four municipalities in the county.

## Challenges and Mitigation Measures

In the course of implementing its budget, the department has faced a number of constraints and challenges, including inadequate technical staffing levels especially for surveyors, physical planners and valuers; lack of vehicles for field work which hinders revenue collection as well as survey and planning of field work; delay in disbursement of funds from the national treasury resulting into delay in settlement of pending payments for work already done; and inadequate coordination with National Government and other actors on matters land.

To deal with the aforementioned challenges, the department will prioritize the implementation of land use policies and regulations to ensure equitable and sustainable use of land; identification and acquisition of suitable land for housing and development through land banking and partnerships with private sector developers; diversification of funding sources through public-private partnerships, international development agencies, and innovative financing mechanisms such as land value capture; promotion of public-private partnerships to mobilize resources and increase housing and infrastructure development; lobbying for additional funding and resource allocation for key development projects; and establishment of effective coordination mechanisms among stakeholders, such as interagency committees and public participation platforms.

## Revised Outputs for the FY 2022/23

From the Third Revised Estimates of KSh. 248,726,055 the department has allocated KSh. 60,278,430 and KShs. 188,447,625 for recurrent expenditure and development expenditure respectively to continue undertaking the following;

- Under the Lands and Physical planning programme, the revised allocation of KShs. 7,448,332 will be channeled towards County Spatial Planning, Simbio-City project and preparation of a valuation roll for Homa Bay Municipality
- Under Housing and Urban Development programme, the revised allocation of KShs. 179,458,916 will be directed towards provision of modern housing infrastructure and other amenities within the informal settlement under KISIP, house improvement services, affordable housing and Urban lakefront development.
- Under the policy, planning and administrative support services programme, the revised allocation of KSh. 61,818,807 will be directed at ensuring adequate remuneration for the existing staff establishment; improving the working conditions of staff; ensuring supply of alternative power and safe water to all health facilities; accommodating staff functions in decent environments and construction of an ablution block at the lands office

## **VOTE 5118: DEPARTMENT OF TRADE, TOURISM, INDUSTRIALIZATION AND ENTERPRISE DEVELOPMENT**

### **A. VISION**

The department envisions Homa Bay County as ‘a leading industrialized county in the Republic of Kenya by 2030’.

### **B. MISSION**

The department’s mission is ‘to create wealth, reduce poverty and generate employment opportunities through industrialization and value addition’.

### **C. PERFORMANCE OVERVIEW AND CONTEXT FOR BUDGET REVISION**

The department mandate is to promote, co-ordinate and implement integrated socio-economic policies and programmes for a rapidly industrializing economy. The focus of the department is improving the business environment, promoting growth of entrepreneurs and improving governance, marketing and investment; stimulating sustainable industrial development through value addition, tourism, industrial research, technology and innovation and creating an enabling environment for investment; and ensuring efficient service delivery through prudent management of public resources.

#### **Summary of Achievements**

The department has been able to complete and operationalize Kigoto maize milling plant; purchase and deliver a 9-ton per hour animal feeds processing plant awaiting installation once the factory house is complete; complete 7 No. modern markets in collaboration with other partners; and improve a total of 48 markets, improve sanitation in markets through construction of toilets under ward based; construct 159 Market toilets; murram 95 Markets; construct 5 Access roads to markets; fence 16 markets; erect 12 Boda boda shades; construct 19 Animal auction rings; register 9 cooperative societies including 1 Boda Boda Sacco, 5 agricultural cooperatives and 3-trader based SACCOs; complete financial and management audits in 20 cooperative societies; train 8 cooperative societies on financial management, leadership, marketing and group dynamics; and technically support 18 cooperative management committee meetings and advise them on cooperative society best practices and governance; initiate the development of Lake Simba Nyaima which has been advertised; and organize the Inaugural Roan Antelope Half Marathon that is scheduled to take place on the 5<sup>th</sup> and 6<sup>th</sup> of May 2023 at Ruma National Park.

The department has also been able under NARIGP Project to revival three Cotton Cooperative societies; start poultry cooperative societies in all the sub-counties; initiate a banana value chain cooperative in Rachuonyo East, Rachuonyo North, Rangwe, Ndhiwa, and Suba North

sub-counties; revive dairy cooperatives in Ndhiwa Sub- County; give inclusion grants ranging from KSh. 980,000 to KSh. 1,499,000 for membership recruitment and capacity building on management structures to 21 cooperative societies; give investment grants to 13 out of the 21 cooperatives; operationalize the Homa Bay County Liquor and Licensing Act of 2015 and the Homa bay County Investment Development and Corporation Act of 2020.

### **Challenges and Mitigation Measures**

**Challenges:** The Department had to content with reallocation of resources; inadequate public involvement in sector priority identification leading to mismatch between community expectations and available resources; inadequate funding for the programme and projects; prolonged procurement processes and procedures that delays project take-off and completion and late disbursement of development funds.

**Mitigation measures:** To avert the aforementioned challenges, the Department intends to develop relevant Policies and regulations to smoothen implementation of projects; build and sustain partnerships to help in bridging technical and financial resources to implement specific programmes and projects; undertake proper feasibility studies and infrastructure design before making significant investments; adopt the new public participation model to promote people-driven projects for ownership and sustainability; and finally align department's plans and budgets;

### **Revised Outputs planned for FY 2022/23**

The Gross Approved Estimates I for the department during the FY 2022/23 amounts to KSh. 354,902,429. This comprises of KSh. 172,934,653 and KSh. 181,767,776 for Current and Capital expenditure respectively. The allocation has increased by KSh. 44,867,986 to KSh. 226,635,762 under the FY 2022/23 Supplementary Estimates No.2 to cater for the marching fund to initiate development of an industrial park. This translates to KSh. 172,934,653 for recurrent expenditure and KSh. 226,635,762 for development expenditure.

The Department will channel its final revised allocation as follows:

- Market Development services
- Cooperative development services

## **VOTE 5119: DEPARTMENT OF WATER, SANITATION, IRRIGATION, ENVIRONMENT, ENERGY AND CLIMATE CHANGE**

### **A. VISION**

A prosperous population living in a clean and healthy environment with access to sustainable and adequate safe water, sanitation as well as green energy

### **B. MISSION**

To ensure the people of Homa-Bay County have ready access to adequate safe water and green energy; healthy sanitation and that they live in a clean and well conserved environment that promotes their sustainable socio-economic development.

### **C. CONTEXT FOR BUDGET REVISION**

#### **Mandate**

The Department of County Department of Water, Sanitation, Irrigation, Environment, Energy and Climate Change is mandated to ensure adequate and reliable supply of water, clean environment and sustainable development, contribute towards increasing access to adequate, safe and reliable water and sanitation, increase the utilization of land towards irrigation, ensure sufficient and reliable power supply and efficient electrical energy, enhance generation and uptake of alternative sources of energy and reticulation of energy suppliers.

#### **Summary of Achievements**

For the FY 2022/23, the department was allocated KSh. 523,362,937 which was distributed in the four programmes as follows: Water supply and management Services amounted to KSh. 281,080,000; Environment protection and management services amounted KSh. 41,043,415; Energy Services amounted to KSh. 80,776,312 and finally General Administrative services amounted to KSh. 120,463,210. However, during the first supplementary budget, the departments allocations reduced to KSh. 398,342,018 out of which KSh. 108,036,932 was directed towards recurrent expenditure while KSh. 290,305,086 for development expenditure. This revised figure has so far been used to implement the following over the last eleven months:

***Enhancing equitable access to Households to reliable safe portable water for domestic and industrial use in rural areas***, the department has managed to rehabilitate 1 No. borehole, drilled and equipped with solar 1 No. borehole, advertised 61 No. water projects that entails (drilling and equipping new boreholes with solar, rehabilitation & upgrading and piping of water);

***Ensuring clean, safe and green urban areas***, the department has been able to conduct monthly clean up exercise in 4 municipalities, employed cleaners and ongoing works at the Governors green park,

#### **Challenges and Mitigation Measures**

Despite the progress realized so far, the department is faced with numerous challenges ranging from inadequate policies and legal frameworks that has direct impact on the services and the programmes that the department is determined to implement, inadequate working tools and equipment i.e. laptops, survey equipment, software etc., inadequate designated waste disposal sites and mushrooming of dumping sites that negates the efforts towards environment management, inadequate budgetary allocation that limits the department to implement a number of its desired projects, shortage of skilled staff, breakdown of waste skips and other waste receptacle due to lack of funds for proper repair and maintenance.

The department has put in place raft of measures to mitigate some of the above mentioned challenges so as to ensure all the deliverables earmarked in the FY are realized. The measures include: leveraging on partners implementing similar programmes to complement in delivering some of the planned projects, enhancing collaboration with other departments to tap into their technical expertise and working towards developing sound policies, regulations and laws towards enhancing coordination and service delivery.

### **Revised Outputs for the FY 2022/23**

From the Third Revised Estimates of KSh. 302,070,420, the department has allocated KSh. 124,689,489 and KShs. 177,380,931 for recurrent expenditure and development expenditure respectively to continue undertaking the following;

### **C. PERFORMANCE OVERVIEW AND CONTEXT FOR BUDGET REVISION**

The Office of the Governor mandate is to provide leadership, coordination and track results for each devolved entity for purposes of ensuring effective service delivery.

In the FY 2022/2023, the entity was initially allocated a total of KSh. 730,137,518, including KSh. 645,102,303 for recurrent and KSh. 85,035,215 for development. In the final supplementary, this amount has been revised to KSh. 815,231,646 consisting of KSh. 705,457,696 for recurrent and KSh. 109,773,950 for development.

#### **Performance Overview:**

The performance of the Executive Office of the Governor over the last eleven months has been marked by significant achievements and notable challenges. The office has successfully completed planned infrastructure works in the new office building, settled payments with respect to ongoing works on ward offices; established all the relevant units required to improve governance, service delivery and performance in the county.

#### **Challenges and Mitigation Measures:**

**Resource Constraints:** Limited resources has posed a challenge to the timely execution of projects and initiatives. To mitigate this, the office is implementing rigorous resource allocation strategies, prioritizing high-impact projects while optimizing the utilization of available funds. Additionally, strategic partnerships are being forged with external entities to leverage additional resources and expertise.

**Stakeholder Engagement:** Effective stakeholder engagement is crucial for successful governance. However, maintaining consistent communication and engagement with diverse stakeholders has challenging. To overcome this, the office has employed a multi-faceted approach, including regular meetings, town hall sessions, and leveraging digital platforms to facilitate open dialogue and gather feedback. This has helped to ensure transparency and inclusivity in decision-making processes.

#### **Budget Revision Context:**

The challenges faced during the FY 2022/23 have necessitated a careful review of the budget estimates to ensure the efficient utilization of resources and the fulfillment of key objectives. This third revised budget has taken into account the need to clear imbalances and address the

aforementioned challenges effectively. This revision has enabled the office to reallocate funds to critical areas, streamline expenditures, and optimize outcomes while adhering to fiscal discipline.

### **Revised Outputs:**

The revised budget estimates for the Executive Office of the Governor reflect a realignment of resources and a refocused approach to achieve the desired outcomes. The following are some of the key revised outputs:

- i. **Strengthened Governance Framework:** The office will continue to invest in implementation of effective policies, streamlined processes, and robust monitoring mechanisms. This includes the establishment of performance indicators, regular evaluation, and reporting mechanisms to ensure transparency and accountability.
- ii. **Improved Service Delivery:** The office will continue to invest in on improving accessibility, quality, and efficiency in service delivery, with a focus on underserved communities and marginalized groups.
- iii. **Sustainable Economic Development:** The office will continue to invest on implementation of initiatives to promote economic growth, attract investments, and create employment opportunities.
- iv. **Effective Stakeholder Engagement:** The office will continue to invest in strengthening partnerships with various stakeholders, including government agencies, non-governmental organizations, community-based organizations, and the public. This has involved regular consultation, collaboration, and participation to ensure the inclusion of diverse perspectives in policy formulation and decision-making processes.
- v. **Enhanced Capacity Building:** The office will continue to invest in investing in the professional development of its staff to enhance their skills, knowledge, and capabilities. This includes training programs, workshops, and mentorship initiatives to foster a culture of continuous learning and growth within the office.

The KSh. 815,231,646 budget has been distributed as follows:

- Under the Governance and Executive Coordination Programme, the KSh. 195,982,096 allocated shall be directed towards completion of the Governor’s Office at the Health Department (KSh. 40 million); facilitating executive liaison services and operations of the Executive Office of Governor, including all its decentralize structures.
- Under the Strategy and Service Delivery Services Programme, the KSh. 26,150,000 allocated shall be directed towards improving development outcomes from executive decisions.
- Under the Communication and Public Engagement Services Programmes, the directorate has been allocated Ksh 21,662,331 to increase the counties visibility and public engagement through robust public participation.
- Under the field Administration and Devolution Support Services Programme Ksh 61,248,669 has been allocated to facilitate the subcounty and ward administrators.

## **VOTE 5122: COUNTY PUBLIC SERVICE BOARD**

### **A. VISION**

The board envisions ‘Excellence in Public Service delivery and management for County transformation’.

### **B. MISSION**

The board exists ‘to provide overall leadership and coordination in the management of the County’s human resources for effective service delivery.’

### **C. PERFORMANCE OVERVIEW AND CONTEXT FOR BUDGET REVISION**

#### **Summary of Achievements**

To fill the Board’s mandate to strengthen the county policy framework for managing the county public service; promoting national values and principles; enhancing staff productivity and morale, and attracting and retaining the best talent in the County Public Service, the board was allocated a total of KSH 90,886,947 in the printed estimates of the FY 2022/2023.

Out of the Board’s allocations for the FY 2022/23, it has been able to achieve the following:

- Approval of establishment of 7 new offices in the County Public Service.
- Approval of appointment of 86 health personnel and filling of 7 offices under the Office of the Governor and 3 offices under the Department of Finance and Economic Planning.
- Execution of disciplinary proceedings against 7 senior officers, leading to dismissal of 3 of the officers.
- Promotion of Values and Principles as in Articles 10 and 232 by sourcing staff competitively while upholding gender and regional balance.
- Advertisement, application processing, shortlisting and interview leading to fulfillments of 31 senior positions including chief officers and directors.
- Promotion for a total 81 officers.
- Confirmation for a total of 1736 EYE teachers, 163 health workers and 1390 casual workers from various departments from contract to permanent and pensionable terms of service and, 35 officers who had completed their six (6) months’ probation period.
- Re-designation of 23 officers, inter-government transfer of 3 officers and exit of 306 officers.

#### **Challenges and Mitigation Measures**

**Challenges:** The Board has had to content with budget constraints, which have limited its ability to implement certain programs and services; staffing shortages in critical departments, leading to increased workloads and delays in service delivery; and inadequate office accommodation, which has made it difficult to keep staff and information within safer environments

**Mitigation Measures:** The Board has had to adopt cost-saving measures such as rationalizing expenditure and seeking alternative sources of funding to ensure critical services can be maintained; and implementing a strategic staffing plan that prioritizes recruitment and retention of staff in critical departments, and we have implemented cross-training programs to address staffing shortages.

**Revised Outputs planned for FY 2022/23**

The Board will channel its second revised allocation of KSH 96,159,828 as follows:

- Under the Policy, Planning and Administration Services programme, the board has provided for payment of employee wages at Kshs. 64,013,752; and basic operations of Kshs. 3,167,850
- Under the personnel sourcing, management and development services programme, the Board will direct Kshs. 10,798,302 towards recruitment, selection, and deployment services; Kshs. towards 3,665,000 human resource advisory services and Kshs. 1,014,924 towards capacity development services.
- Under the Performance management services programme, the Board has purposed to utilize KSh. 7,500,000 towards performance contracting and appraisal Services and KSh. 6,000,000 towards performance enhancement services.

**D. PROGRAMMES AND THEIR OBJECTIVES**

## **VOTE 5123: COUNTY ASSEMBLY SERVICE BOARD**

### **A. VISION**

The County Assembly of Homa Bay envisions being ‘A modern County Assembly that offers excellence in service delivery and leadership for the people of Homa Bay County.’

### **B. MISSION**

The Assembly exists ‘To exercise its legislative, oversight, representation and outreach functions effectively within the framework of the Kenyan Constitution and working with all those committed to building a productive and prosperous Homa Bay County.’

### **C. PERFORMANCE OVERVIEW AND CONTEXT FOR BUDGET REVISION**

#### **County Assembly Mandate**

The County Assembly is mandated to create avenues for representation of residents of respective wards, making of laws and policies necessary for the effective performance of county functions and, oversight of the County Executive. This includes approval of plans and policies, vetting and approval of nominees for appointment to county offices, considering budget estimates and approval of borrowings by the County Government.

#### **FY 2022/2023 Allocations and Revision**

For the FY 2022/2023, the County Assembly Service Board was allocated KSh. 1,197,878,114 in the first supplementary budget estimates, with KSh. 1,115,623,187 set aside for recurrent expenditure while KSh. 82,254,834 was to be utilized for development expenditure. Of the recurrent allocation, KSh. 130,000,000 had been set aside for MCAs Car Loan while KSh. 100,254,834 was to cater for the County Assembly Mortgage Scheme.

In this second supplementary budget, the allocation for the County Assembly has been maintained at KSh. 1,197,878,114, including KSh. 1,115,623,187 for recurrent purposes and KSh. 82,254,927 for development expenditure. The budget revision was thus necessitated by the need to realign votes and budget items that were either exhausted or unspent.

#### **Priorities for the FY 2022/2023**

With this revised allocation, the County Assembly Service Board will continue to direct its resources towards further capacity strengthening of assembly offices. The board will equally attempt to facilitate the setup of relevant management structures, systems, policies and procedures. It will also continue to prioritize the expansion and maintenance of infrastructure facilities as well as deepening and broadening the use of ICT in the operations of the County Assembly.

Specifically, the Board will dedicate resources to:

- Induction, training and capacity building of MCAs;
- Providing for car loan and mortgages to MCAs;
- Preparing the Strategic Plan for the MTP 2023-2027

- Equipping MCAs with new gadgets, furniture and stationery especially standing orders;
- Completion of the automated gate;
- Construction of the Speaker’s House;
- Completion of MCA Offices;
- Renovation of the Offices and the Ablution Block;
- Renovation of the County Assembly Chambers and Committee Rooms; and
- Installation of CCTV and Electrification of the Perimeter Wall.

The Board envisions “A municipality of choice for all to invest, work, live and prosper in.”

### **B. MISSION**

The Board is working “To make Homa Bay Municipality more attractive and sustainable through effective policy formulation and implementation”.

### **C. PERFORMANCE OVERVIEW AND CONTEXT FOR BUDGET REVISION**

The creation of Board was to give effect to article 184 of the constitution that provides for the classification, governance and management of urban areas and cities. Ultimately, the Board mandate was to make Homa Bay Municipality more attractive and sustainable through effective policy formulation and implementation.

The Gross Approved Budget Estimates for the department during the FY 2022/23 amounts to KSh. 134,679,607. This comprises of KSh. 32,234,298 and KSh. 102,445,309 for Current and Capital expenditure respectively.

The allocation has reduced by KSh. 55,191,174 to a total of KSh. 79,488,433 under the FY 2022/23 second revision of the approved budget estimates to cater for the outstanding commitments. This included KSh. 27,969,896 for recurrent expenditure and KSh. 51,518,537 for development expenditures respectively. In the third revision of the supplementary budget estimates, this total amount reduced to KSh. 57,594,679, which translates to KSh. 27,969,896 and KSh. 29,624,783 for recurrent and development expenditures respectively.

The revised outputs will be:

- Renovation of Homa Bay Main Bus park
- Market construction/Construction of Canopy
- Fencing of Homa Bay Municipal Market
- Beautification of the Governor’s park

## **APPENDIX III: FINANCING STRUCTURE OF THE COUNTY GOVERNMENT**

### **A. CAPITAL FUNDING**

The main strategy of the county remains focused on funding the highest priority capital projects first. This funding is done once the project has been approved and included in the Annual Development Plan and a pre-design has been developed by the department and approved by the County Budget and Economic Forum.

Projects relying on donor support as part of their financing plan are required to meet certain thresholds to advance. First, there must be a Memorandum of Understanding approved by the Council of Governors and a budget broken down into yearly allocations. Second, the allocation must be recognized and included in the national Budget Policy Statement and County Allocation of Revenue Bill for the year in question. Finally, construction is started only when a reasonable percent of the donation has been received in cash or pledges at the appropriate forum and an acknowledgement from the forum has been received by County Budget and Economic Forum that the balance of funds shall be obtained within a reasonable timeframe. The County Executive Member responsible for finance may however consider exceptions to these laid down requirements. If approved, the exception must be documented in the project finance agreement.

The most potent alternative to grants and donations from county's overseas development partners are private sector participation models such as PPP: BTO, BOT and BOOT. In PPP, the county government or its agencies will be entering contracts with private parties, in which the private party provides a public service or project and assumes substantial financial, technical and operational risk in the project. In some cases, the cost of using the service will however be borne exclusively by the users of the services provided and not by the taxpayers or the County Government.

In other cases (notably in private finance initiatives), capital investment will be made by the private party on the basis of a contract with county government to provide agreed services and the cost of providing the service is borne wholly or in part by the government. The county government contributions to a PPP will mostly be in kind (notably the transfer of land and other existing assets). In projects that are aimed at creating public goods like in the infrastructure sector, the county government will provide capital subsidies in the form of one-time grants, so as to make it more attractive to the private investor.

### **B. RAISING REVENUE**

The County Government of Homa Bay expects to finance its recurrent and development expenditure from three main sources, namely:

- a) Ordinary budget – from property rates, entertainment taxes, service charges, and national government remittances;
- b) Extraordinary budget – from grants, donations, loans and private sector participation (PPP; BOT or BOOT)
- c) Other sources- Sale of government assets, capital receipts and, incomes from government investments and public enterprises.

The ordinary budget revenue is expected to grow at a compound rate of three (3) percent over the MTEF period 2021/22-2024/25. Given the expected challenges posed by covid-19 and the continued risk of exchequer releases, cost reduction efforts are clearly expected to play a major role in bringing about a balance in the budget. The county will have to learn to do more, and do better, with less.

Since recurrent expenditure must be covered by ordinary budget, the County Treasury will pursue opportunities to boost the collection of revenues without raising revenue rates. Some of the approaches to be used to help improve the collection of own-source revenue include:

- **Improving billing and collections.** The county government is working to improve its revenue intake in two ways: by applying readily available data mining and analytic techniques and by billing appropriately and collecting effectively.
- **Optimizing pricing.** The County government will leverage on the private sector expertise when developing pricing strategies for revenue-generating products and services.
- **Using assets to make money.** The county government will make its physical and digital assets work harder for taxpayers: sell, rent or lease the assets; and offer premium, value-added services related to the asset for which customers will readily pay.

These revenue-generating opportunities will help the county governments to close the gaps in its budgets without raising taxes or cutting services. By employing ideas and approaches first perfected in the private sector, the county government can ensure its initiatives deliver the most value possible to citizens.

### **C. ATTRACTING DEVELOPMENT SUPPORT**

To finance its MTEF development budget, the County Treasury will focus beyond public funding through appropriations to include more external grants and innovative financing frameworks like PPP. Measures are being put in place to tap into philanthropy and corporate sponsorships, earned income from public investments, user fees, special use and concerts; external real estate such as ground leases, right-of-way leases, mineral or driller rights and; external value capture through tax increment financing, business improvement districts, real estate transfer tax and developer incentives.

In line with the best practice and international trends, the County Treasury will appropriate less public resources into operation and maintenance of public realm projects. Instead, the county will encourage project sponsors to find alternative sources of operating funds. Earned income from concessions and special events are expected to play progressively larger role in raising revenue for operation and maintenance funding.

Effort will be made to fund urban redevelopment through Tax Increment Financing (TIF) and Business Improvement Districts (BID). These tax raising mechanisms will also be leveraged upon to develop sites of tourist interest like cultural centers, theme parks and technopolis.

## D. SUMMARY OF ISSUES AND STRATEGIES FOR RESOURCE MOBILIZATION
