

REPUBLIC OF KENYA

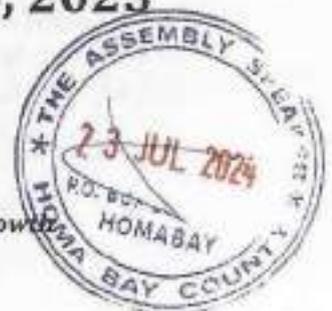

COUNTY GOVERNMENT OF HOMA BAY
DEPARTMENT OF FINANCE AND ECONOMIC PLANNING

MEDIUM-TERM EXPENDITURE FRAMEWORK
APPROVED ANNUAL BUDGET
ESTIMATES

For the Financial Year Ending on June 30, 2025
(FY2024/2025)

JUNE 2024

FOREWORD

I am honored to present the Fiscal Year 2024/25 County Medium-Term Expenditure Framework (MTEF) Budget on behalf of the County Executive Committee. This budget represents our commitment to transparent and accountable fiscal management principles in accordance with the provisions of Kenyan laws, particularly, the Public Finance Management Act (PFM Act 2012), the County Governments Act (2012), the Intergovernmental Relations Act (2012), and the Urban Areas and Cities Act (2011) among other enabling legislations within the County Financial Management landscape.

Specifically, Sections 125(1), 130, and 131 of the PFM Act 2012, as read together with Sections 107(1-2) and 112 of the County Government Act, provide clear guidelines for budget preparation, approval, and reporting, ensuring adherence to Fiscal Responsibility Principles and prudent financial management. Additionally, Sections 15(1) and 16 of the Intergovernmental Relations Act, along with Sections 27 and 28 of the Urban Areas and Cities Act, further guide our budgetary processes to promote effective intergovernmental relations urban planning and development.

In line with these legal provisions, the FY 2024/25 County MTEF Budget has been carefully developed under the theme; *Sustaining the GENOWA agenda for accelerated and inclusive economic growth* to prioritize the needs of our constituents while ensuring fiscal sustainability and accountability. Notably, recurrent expenditure is estimated at **KShs. 7,670,902,585** constituting **65%** of the total revenue, while development expenditure stands at **KShs. 4,206,076,016**, accounting for **35%** of the budget. This allocation reflects our commitment to balancing immediate operational needs with long-term investments in infrastructure and socioeconomic development.

However, it is important to acknowledge the unique challenges in the fiscal framework, particularly regarding personnel emoluments. The total personal emoluments cost is estimated at **KShs. 5,660,565,001**, representing **48%** of total revenue and surpassing the fiscal responsibility principles threshold of **35%** as required by the PFM Act. As such, concerted efforts are being implemented to rationalize staffing levels and optimize human resource utilization to enhance efficiency and cost-effectiveness in compliance with the law.

The total county resource for FY2024/25 is estimated at **KShs. 11,876,978,601**, representing a slight growth from the previous fiscal year due increased equitable share, OSR and conditional grants. The Equitable National Shareable allocation will be **KShs. 8,436,080,677**, Conditional Grants Allocation at **KShs. 1,829,487,963**, Own Source Revenue at **KShs. 1,482,806,657** (including A-I-A from Health of **KSh. 981,068,740** and Ordinary OSR of **KSh. 501,737,917**) and Equalization Fund will be **KShs. 128,603,304**. This MTEF underscores our commitment to prudent financial planning and attainable revenue forecasting to ensure fiscal sustainability in the face of political, social, and economic uncertainties.

In conclusion, I commend the collaborative efforts of all stakeholders involved in the budgetary process, including county officials, technical experts, and our esteemed County Assembly members. Together, we remain steadfast in our commitment to achieving prudent financial management, accountable governance, and inclusive development for the prosperity of our county and its residents.

Hon. Solomon Obiero
CEGM – Finance and Economic Planning
County Government of Homa Bay

ACKNOWLEDGMENT

I wish to extend my sincere appreciation to all stakeholders whose collaborative efforts have made the preparation of this FY2024-2025 budget possible.

I am deeply grateful to Her Excellency the Governor and His Excellency the Deputy Governor for their exemplary leadership, invaluable guidance, and unwavering support throughout the budget preparation process. Their vision and commitment to the development of our County serve as a guiding light for us all.

I would also like to express my gratitude to the County Executive Committee Members (CECMs) for their outstanding leadership in steering their respective departments through the budgeting process and providing invaluable insights during the consolidation of the budget estimates. Your dedication and meticulous review at the cabinet level have been instrumental in ensuring the alignment of our budget with our county priorities.

Furthermore, I extend my heartfelt appreciation to the County Assembly Members for their diligent efforts and constructive engagement during the budget preparation process. Your commitment to representing the interests of our citizens and ensuring that the budget reflects their needs has been pivotal in shaping a budget that is both realistic and impactful.

To the County Chief Officers, Directors, and staff, I extend my profound gratitude for your tireless efforts in compiling the budget estimates. Your professionalism and dedication have been remarkable in presenting a budget that accurately reflects the development aspirations of our County as articulated in departmental priorities.

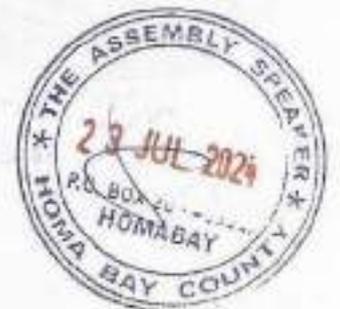

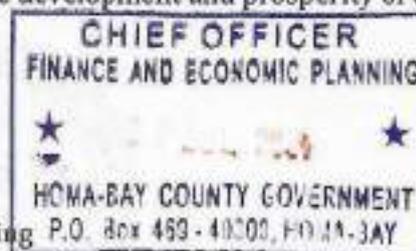

I commend the leadership and commitment of our Head of Treasury, who, as the CECM for Finance and Economic Planning, played a pivotal role in steering this process with integrity and transparency. I sincerely acknowledge the invaluable contributions of the County Treasury staff, whose technical expertise, guidance, and meticulous coordination were essential in the budget preparation process.

Lastly, I extend my heartfelt thanks to the citizens of our County for their continued support and active participation in shaping the development agenda of our County. Your feedback and engagement have been invaluable in ensuring that the budget addresses the needs and aspirations of our people.

In conclusion, I wish to reiterate my profound appreciation to all stakeholders for their unwavering dedication and invaluable contributions to the budget preparation process. Together, let us continue to work tirelessly towards the development and prosperity of our beloved County.

HIGHLIGHTS OF THE FY 2024/25 MTEF BUDGET

I. Introduction

The preparation of this budget is premised on Chapter 12 of the Constitution of Kenya, read together with Sections 125(1), 130, and 131 of the Public Finance Management Act (2012); Sections 107(1), 107(2), and 112 of the County Governments Act (2012); Sections 15(1) and 16 of the Intergovernmental Relations Act (2012); and Sections 27 and 28 of the Urban Areas and Cities Act (2011) which stipulate specific requirements and guidelines for budget preparation, approval, and reporting.

Section 130 of the Public Finance Management Act (2012) outlines the responsibilities of the County Executive Committee Member for Finance, requiring the submission of a comprehensive budget summary and estimates to the County Assembly. This includes a budget summary encompassing budget policies, explanations on fiscal responsibility principles and financial objectives, and considerations of previous year's resolutions, alongside detailed budget estimates covering revenue allocations, expenditure breakdowns, loan information, and measures to address previous recommendations.

The budget serves as a crucial instrument through which the County Government plans, prioritizes, and controls its spending, while also communicating financial information and priorities to stakeholders. It facilitates effective management of financial resources and provides a framework for assessing the efficiency and effectiveness of government programs and services.

II. Fiscal Framework

The county's total resource envelope for FY2024/25 is estimated at **KShs. 11,876,978,601**, which represents a marginal increase compared to the approved supplementary II budget for the FY 2023/24; with the variance attributed to the upward changes in the Own Source Revenue targets and expected conditional grants. Essentially, this budget estimate underscores the County Government's commitment to prudent financial planning and responsible fiscal management in the face of evolving political, technological, and socio-economic challenges.

In adherence to fiscal responsibility principles, the budget for FY2024/25 reflects prudent allocation of resources, with recurrent expenditure estimated at **KShs. 7,670,902,585** (accounting for 65% of the county budget) and development expenditure at **KShs. 4,206,076,016** (representing 35% of the county budget).

Borrowing from the FY 2023/24 budget implementation, some of the notable challenges that are likely to impact the FY 2024/25 budget execution and service delivery include but not limited to: delays in exchequer release by the National Treasury; Underperformance of the local revenue; sub-optimal performance of conditional grants; relatively high cost for personnel emolument, among other macro and micro factors. To address these, the county leadership is committed to strengthening intergovernmental coordination and partnership, strengthening OSR enhancement strategies; externally resource mobilizing, deepening public-private partnerships; and ensuring maximum stewardship for public resources through strong governance, transparency, and accountability.

Table 1 below captures the fiscal framework that highlights how the County Government of Homa Bay has prioritized its revenue mobilization and spending decisions for the FY 2024/25.

III. Budget Policies

The County Government of Homa Bay is committed to prudent financial management, efficiency, and effectiveness in resource allocation and utilization to advance the well-being of the citizens and promote socio-economic development. The budget policies for the FY 2024/25 are designed to address the challenges of revenue collection to the optimal level, reduce county pending bills, and reduce the high wage bill. These shall be made possible by ensuring that resources are allocated optimally to achieve tangible results.

3.1 Prioritizing Essential Services and Socio-Economic Development

The FY 2024/25 county budget policies emphasize the alignment of expenditures with strategic objectives to prioritize essential services and drive socio-economic development across the county. By focusing on key sectors such as healthcare, education, infrastructure, and agriculture, the County Government of Homa Bay aims to improve the quality of life and opportunities for all residents, thereby unlocking the Bay's endless potential.

3.2 Sustainable Revenue Generation

In the FY 2023/24, the OSR performance is expected to be 86% of the revised target of KSh. 1.392 billion, hence falling short of the targeted revenue. To address the challenge of below-target for OSR collection in the FY 2024/25, the County Government of Homa Bay plans to implement comprehensive revenue enhancement strategies. Among them includes revising tax policies, enhancing revenue administration systems, introducing tax incentives and leveraging technology for efficient tax collection and compliance monitoring. By maximizing revenue potential and minimizing leakage, County

Sustaining the GENOWA agenda for accelerated and inclusive economic growth

Government of Homa Bay aims to strengthen the county's financial base and reduce the overreliance on external funding sources.

3.3 Prudent Debt Management and Pending Bills Settlement

As guided by the PFM Act (2012) and other regulations, the County Government of Homa Bay's (CGHB) budget and planning policies prioritize the settlement of legitimate and verifiable pending bills. Importantly, the CGHB intends to adopt prudent debt management practices to prevent the accumulation of arrears. This involves rigorous scrutiny of expenditures to ensure commitments align with available resources and timely payment of obligations. The County Government will also implement debt resolution strategies outlined in the County Debt Management Strategy Paper 2024 to contain county debts while enhancing fiscal stability through a balanced budget. Towards this course, the CGHB has allocated in excess of KSh. 400 million for settlement of verified pending bills in the FY 2024/25.

3.4 Rationalizing the Wage Bill

In the FY 2023/24, wage bill accounted for nearly half of the county budgetary allocation, which is above the required 35%. Therefore, addressing the high wage bill which requires a multi-faceted approach, forms a major priority for the CGHB. The County Government will implement measures to rationalize the wage bill, including a review of staffing levels, restructuring of departments for optimal efficiency, periodic payroll and staff audit, and performance-based remuneration systems, among other lawful measures. These measures will ensure that wage expenses are sustainable and commensurate with service delivery needs.

3.5 Strengthening Compliance with Development Partner Funding

The contribution of development partners towards our county's growth and development cannot be underlined. As a lower middle-income county, we continue to depend on grants from external partners to support our development agenda under Genowa. In the FY 2024/25, CGHB expects conditional grants amounting to over KSh. 1.829 billion, hence contributing in excess of 15% of our revenue estimate for the period. The major contributors towards this pot are KISIP II, FLLoCA, NAVCDP, and Road Maintenance Levy, among others. To enhance compliance with requirements for accessing these development partner funding, the County Government shall strengthen oversight, transparency, accountability, and governance mechanisms. The specific planned actions include timely reporting, adherence to project implementation guidelines, unqualified audit opinion, and effective monitoring and evaluation of funded projects. By improving county performance in utilizing development partner funds, the County Government stands a better chance to maximize the impact of external support directed towards the county's development agenda, which in-turn potentially results in improved service delivery.

3.6 Improving Departmental Efficiency and HR Management

Sustaining the GENOWA agenda for accelerated and inclusive economic growth

Efficiency in county departmental structures is essential for effective service delivery. The County Government of Homa Bay undertakes to update its HR records, enhance staffing levels, and implement robust payroll controls to ensure optimal utilization of human resources. By improving departmental efficiency, the County Government can enhance performance and service delivery objectives. Ideally, this move will contribute to improved workforce productivity through a fair remuneration and reward system, right job-skills match, and motivated human resources.

3.7 Fostering Public Investment Reforms

The role of the public in resource allocation and overseeing public investments cannot be undermined as provided for in the Constitution of Kenya and other legislations. Fragmentation in public investment and inadequate citizen participation in planned and ongoing projects is likely to result in skewed development and other inefficiencies. To ensure continued public engagement in our development agenda, GCHB plans to enact relevant legislations that provide guidelines for public engagements at all levels from the village clusters to the county and sub-county levels. Going forward, the CGHB will adopt a coordinated approach to project planning, implementation, and monitoring, and foster citizen participation in project identification, design, and evaluation. These reforms will enhance accountability and transparency in public investments and ensure that resources are allocated to projects with the greatest impact on community development.

IV. Fiscal Priorities

In the FY 2024/25, the County Government of Homa Bay has six key areas of focus for its budget and financial management. They include:

4.1 Maintaining Fiscal Stability

Maintaining fiscal stability remains a top priority for the County Government of Homa Bay. This will ensure that expenditures do not exceed revenues, debt is controlled and a healthy reserve fund is maintained. Consequently, the County Government undertakes to do the following to realize fiscal stability:

- Observe fiscal sustainability by ensuring budgetary decisions are financially responsible and do not create long-term fiscal challenges.
- Prioritize reducing debt and liability levels, refinancing debt to lower interest rates, and avoiding excessive debt accumulation by appointing a senior officer to be exclusively responsible for that.
- Enhance revenue generation by implementing revenue policies that promote growth, diversification of revenue sources, and pursuit of new revenue streams as spearheaded by the County Revenue Board and the Treasury team.
- Implement cost containment approaches by identifying and eliminating wasteful expenditures (prioritizing non-discretionary expenses), promoting efficiency, introducing austerity measures when necessary, and reducing administrative costs as spearheaded by the Chief Officer, Finance.

4.2 Providing Quality Public Services:

Providing quality public services, such as education, healthcare, social, cultural, infrastructural access, and food security while maximizing environmental services remain a top fiscal priority for the County Government of Homa Bay. In essence, this involves ensuring that public services are adequately funded to meet the needs of citizens. It is for this reason that 43.7% of the total county government resources have been channeled to the social sector, including health, education and social services in the FY 2024/25.

To improve the quality of public services being offered, the county government undertakes to

Sustaining the GEN/JWA agenda for accelerated and inclusive economic growth

- Conduct a thorough review of existing services to identify areas where the quality-of-service delivery falls short of expectations.
- Develop a service improvement plan based on the feedback received, including timelines, budgets, and performance indicators to measure progress and identify areas that need further attention.
- Provide training and development opportunities for staff to enhance both technical and soft skills training, including customer service and communication skills.
- Invest in upgrading and maintaining infrastructure and equipment necessary for delivering high-quality services including vehicles, communication technology, and other resources needed to support service delivery.
- Develop systems and processes that promote transparency and accountability in service delivery, including tracking and reporting on service delivery performance, establishing a grievance mechanism for service users, and creating a culture of continuous improvement.
- Engage with service users and other stakeholders to get feedback on service quality and incorporate their views into service improvement efforts.
- Develop an interactive project investment management dashboard which is GIS-referenced and complete with grievance redress mechanism systems.

4.3 Investing in Infrastructure:

As outlined in the CIDP 2023-2027, one of the other main fiscal priorities for the Community Government of Homa Bay is to invest in infrastructure, such as roads and bridges. These are considered essential to promoting economic growth and improving the quality of life for citizens. That is why the roads and water departments have been allocated 14.7% of the county resources despite the huge investments by development partners in the water sector.

To accelerate investment in infrastructure, the County Government undertakes to:

- Develop a comprehensive plan that outlines the infrastructure needs of the county and sets out a roadmap for investment in them over the long term.
- Engage with the private sector to leverage their expertise, resources, and innovation to accelerate infrastructure development through partnerships to design, finance, and deliver infrastructure projects, as well as through leveraging public-private partnerships (PPPs) to share risks and costs.
- Streamline regulatory processes and approvals to reduce delays and facilitate investment in infrastructure, including simplifying regulatory processes, reducing bureaucratic hurdles, and improving coordination with national government.
- Develop innovative financing mechanisms to mobilize additional funding for infrastructure development through municipal bonds, green bonds, and other innovative financing tools to raise capital for infrastructure projects.
- Prioritize sustainability in infrastructure development by incorporating climate resilience, energy efficiency, and green infrastructure into project design and construction.
- Use data and analytics such as GIS mapping to inform infrastructure investment decisions and ensure that investments are targeted to areas of greatest need.

4.4 Promoting Economic Development and Empowerment

Sustaining the GENOWA agenda for accelerated and inclusive economic growth

Another key priority for the County Government of Homa Bay is promoting local economic development, which involves attracting new businesses, creating jobs, and fostering innovation.

Other than maintaining fiscal stability, improving quality of public services and investing in infrastructure, the county government undertakes to:

- Create a supportive business environment by streamlining regulatory processes, reducing bureaucracy, and providing access to financing and technical assistance for entrepreneurs and small businesses.
- Invest in workforce development programs that provide training and support to workers to help them gain the skills and knowledge needed to succeed in both the local and international job market.
- Attract investment by creating a pro-business climate that offers incentives for businesses to locate and invest in the county such as tax incentives, infrastructure improvements, and other benefits to attract investment and support economic growth.
- Support entrepreneurship by providing resources and support to help startups and small businesses grow and succeed, including offering access to capital, mentorship, and other support services to help entrepreneurs start and grow businesses.
- Promote tourism by investing in attractions and marketing efforts to attract visitors to the county.
- Support the formation of cooperatives, saccos and SMEs by providing seed capital, equipment, farm inputs to the already formalized and registered cooperatives and saccos.

V. Fiscal Responsibility Principles and Financial Objectives

In adherence to Section 107 of the Public Finance Management Act (2012), the County Government of Homa Bay has upheld a steadfast commitment to fiscal responsibility principles and financial objectives aimed at ensuring prudence, transparency, and sustainability in the management of public resources. Through a comprehensive approach, the County Government has strived to achieve fiscal equilibrium while fostering socio-economic development for improving the general health and well-being of constituents.

5.1 Allocation of Recurrent Expenditure and Development Prioritization

The cornerstone of fiscal responsibility framework for the County Government of Homa Bay lies in the prudent allocation of resources. In the FY 2024/25, the CGHB has allocated **KSh. 7,670,902,585** for recurrent expenditures and **KSh. 4,206,076,016** for development expenditures. These allocations represent 65% and 35% of the county budget for recurrent and development respectively. This underscores the County Government's commitment to striking a balance between immediate operational needs and long-term growth priorities.

5.2 Compliance with Fiscal Responsibility Principles

In accordance with the Public Finance Management Act (2012), the County Government of Homa Bay remains committed to upholding and adhering to fulfilling the fiscal responsibility principles to safeguard the financial health of the county.

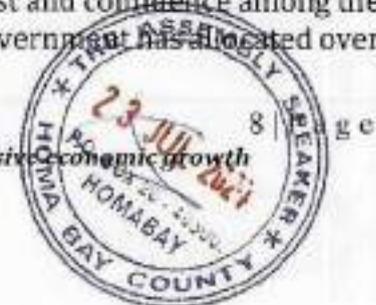

- a) **Recurrent Expenditure Control:** Through its allocative decisions in the FY 2024/25 budget proposals, the County Government of Homa Bay has ensured that recurrent expenditure does not exceed the county government's total revenue, thus maintaining fiscal discipline and sustainability.
- b) **Development Expenditure Threshold:** Over the medium-term, the County Government of Homa Bay has allocated over thirty percent (30%) of the county government's budget to development expenditure, fostering long-term growth and infrastructure enhancements. In particular, the County Government of Homa Bay has its development expenditure estimates at **KShs. 4,206,076,016** representing **35%** of the total budget for the **FY 2024/25**.
- c) **Wage Bill Management:** The County Government's commitment to fiscal prudence extends to the management of the wage bill, which is capped at a maximum of thirty-five percent (35%) of the county government's total revenue. However, despite having estimates of compensation to employees being at 48% in the FY 2024/25, the County Government is dedicated to optimizing staffing levels and implementing performance-based remuneration systems to ensure efficiency and cost-effectiveness so that this fiscal responsibility principle can be complied with over the medium term.
- d) **Borrowing and Debt Management:** For the County Government of Homa Bay, borrowings are strictly utilized for development expenditure purposes, with debt maintained at sustainable levels as approved by the County Assembly. Short-term borrowing will only be restricted to cash flow management and is capped at five percent of the most recent audited county government revenue, as provided in the PFM Act, 2012.

VI. Consideration of Previous Year's Resolutions

The County Government of Homa Bay recognizes the importance of continuity and accountability in governance, particularly in fiscal matters. As such, the County Government has carefully considered the resolutions adopted by the County Assembly in the previous fiscal year as part of its budget preparation process. This commitment to review and implement recommendations is in line with the provisions of Section 130 of the Public Finance Management Act (2012), which mandates the submission of a comprehensive budget summary to the County Assembly.

5.1 Settlement of Pending Bills

In response to the County Assembly's resolution, the County Government has prioritized adequate budgetary allocations towards settling pending bills as a first charge to the Medium-Term Expenditure Framework (MTEF) budget for the FY 2024/2025 in which case every department has been advised to allocate at least 20% of their development budgetary allocation (excluding conditional grants) towards servicing of the pending bills. By addressing outstanding obligations promptly, the County Government aims to enhance financial stability and credibility while fostering trust and confidence among the stakeholders. In particular, in the FY 2024/25, the County Government has allocated over

KSh. 400 million for settlement of verified and legitimate pending bills including historical ones.

5.2 Alignment of Expenditure Priorities with Resources

The County Government of Homa Bay is committed to aligning its expenditure priorities with available resources to prevent the accumulation of pending bills. While ensuring fiscal discipline, the County Government also recognizes the need to explore alternative funding mechanisms such as Public-Private Partnerships (PPPs) and infrastructure bonds within the framework of the Public Finance Management Act, 2012, and with the approval of the County Assembly. Besides, the County Government has improved on OSR forecasting to avoid over projection.

5.3 Completion of HR and Payroll Audit

The County Government is actively working towards completing the ongoing HR and payroll audit within the FY 2024/25. The submission of the final audit report to the relevant committee will provide valuable insights into staffing and payroll management practices, enabling the County Government to make informed decisions to enhance efficiency and accountability.

5.4 Recruitment Freeze and Critical Vacancies

In line with the resolutions of the County Assembly of Homa Bay, the County Government of Homa Bay has implemented a freeze on further recruitments until the completion of the final HR audit report. Only critical vacancies deemed necessary for essential service delivery may be filled by the County Public Service Board but only if supported by financial resource availability. This measure aims to mitigate the escalation of the wage bill, ensuring prudent financial management and resource optimization.

VII. Revenue Projections and Resource Envelope

Expected Revenues

Revenue projections for the FY 2024/25 projects a total county resource envelope of **KShs. 11876,978,601**, representing a marginal growth of **6.35%** compared to the previous fiscal year's estimates (Revised Estimates II FY 2023/24). The growth is primarily attributed to upward trend in conditional grants, OSR improvement, and the expected equitable share of sharable national revenue. The revenue performance in the medium-term (FY 2024/25–2026/27) demonstrates a modest growth trajectory, with equitable share revenue and OSR expected to increase marginally. However, donor support through conditional grants is expected to decline considerably since many of the current grants are in their final years.

This is as summarized in table 2 below:

Conditional Grants

These are financial resources provided by the national government and/or other development partners for specific purposes. The grants are typically accompanied by conditions or requirements that must be met before the funds can be disbursed or

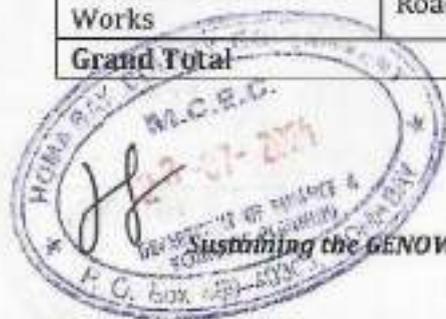

...sustaining the GENOWA agenda for accelerated and inclusive economic growth

expensed. These conditions can include meeting certain performance targets, implementing certain policies or reforms, or complying with specific regulations. In the FY 2024/25, the expected conditional grants amount to **KSh. 1,829,487,963**. Table 3 below shows the breakdown of the expected conditional grants by source and project.

Own Source Revenue (OSR)

OSR are funds that are generated by the county government through various sources, rather than those being provided by the national government or external partners. Primarily, they include local taxes (property tax, business tax, hotel tax, entertainment tax, and other taxes authorized by the law); fees and charges for services such as issuing licenses and permits, providing approval services, or garbage collection; rent for county-owned properties and leasing out of public land and buildings to private entities; fines and penalties imposed for violations of county laws and regulations; and donations and grants from private individuals, non-governmental organizations, and other sources to support specific projects or initiatives. Table 4 below provides the breakdown of the OSR estimates by streams.

XI. Debts, Deficits and Liabilities

In the FY 2024/25, the County Government of Homa Bay aims to maintain a balanced budget, prioritizing fiscal responsibility and prudent financial management. Borrowing, if necessary, will be guided by the Debt Management and Strategy Paper of 2024, ensuring careful consideration of reasonable cost of debt and risks associated with the same. Despite a debt portfolio of KShs. 567 million at the end of FY 2022/23, primarily attributed to pending bills owed to suppliers and contractors, efforts to curb the increase of county debts are underway. Implementation of debt resolution strategies outlined in the draft Debt Management Strategy, alongside exploration of alternative financing mechanisms such as Public Private Partnerships (PPPs), Joint Ventures (JVs), and Grants will ensure that the budget financing attracts very minimal shortfalls or none at all.

X. Conclusion

The highlights of the MTEF revenue and expenditure estimates for the FY 2024/25 reflect a comprehensive strategy aimed at promoting fiscal sustainability and driving socioeconomic development within our county. Through prudent financial management and strategic allocation of resources, the County Government of Homa Bay aims to prioritize essential services, foster economic growth, and enhance the well-being of citizens. The proposed budget underscores the County Government's commitment to aligning expenditures with strategic objectives, boosting revenue generation through innovative measures, and optimizing available resources to achieve tangible results. As these estimates are presented to the County Assembly for approval, the County Government remains steadfast in its dedication to transparency, accountability, and inclusive governance, ensuring that every decision reflects the best interests of our community and paves the way for a prosperous future for all.

VOTE 5120: DEPARTMENT OF FINANCE AND ECONOMIC PLANNING

A. VISION

The department envisions 'excellence in economic planning and financial management for inclusive and sustainable prosperity.'

B. MISSION

The department exists 'to build and preserve excellence in economic planning and financial management through optimal resource mobilization, allocation and utilization to ensure inclusive and sustainable development'.

C. PERFORMANCE OVERVIEW & CONTEXT FOR BUDGET INTERVENTION.

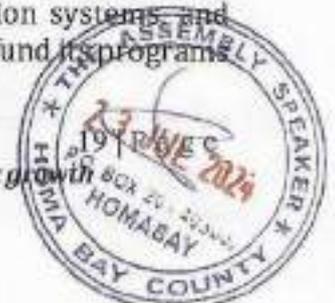

The Department of Finance and Economic Planning is mandated to manage the financial resources of the county government and promote economic growth and development, with a focus on maximizing the efficient use of resources and ensuring transparency and accountability in financial management.

For the FY2023/24, the department was allocated a total of KShs. 788,177,676 consisting of KShs. 751,734,280 for recurrent and KShs. 36,443,396 for development. Out of that allocation, the department was able to realize a number of outputs as follows:

- Prepared and submitted all budget documents including CADP, CBROP, CFSP, CDMSP and Annual Budget Estimates;
- Conducted Public Participation and generated relevant reports therefrom;
- Raised OSR amounting to upwards of KShs. 1 billion;
- Trained Revenue officers and transitioned to a fully automated revenue system;
- Successfully requisitioned exchequer releases and facilitated transfers to spending entities;
- Generated timely reports on revenue and expenditure, including budget implementation reports;
- Trained finance staff on IPSAS including the transition from cash to accruals basis; and
- Facilitated payment of salaries, mortgage and other allowances.

In the course of implementing the FY 2023/24 budget, the department has had to grapple with a number of challenges namely;

- **Economic Volatility:** The county treasury has had to grapple with late exchequer releases attributed to unpredictable fluctuations in economic conditions, such as changes in inflation rates, exchange rates, and commodity prices occasioned by fluctuations in global and national markets, natural disasters, and other unforeseen events.
- **Under-Performance of Own Source Revenue (OSR) Collection:** This has resulted from weak enforcement mechanisms, inadequate revenue collection systems, and poor taxpayer compliance which undermines the county's ability to fund its programs and projects effectively.

Sustaining the GENOWA agenda for accelerated and inclusive economic growth

- **Wage Pressure:** Personnel emoluments constitute a significant portion of the county's budget leaving insufficient funds for development projects and other essential services. This is largely due to over-staffing in some cadres, high salary scales, and inefficiencies in the payroll system.
- **Inadequate Technical Capacity:** The county continues to suffer a lack of skilled personnel, resources, and expertise necessary to manage some functions effectively. This gap has resulted in poor financial management, inefficient service delivery, and sub-optimal use of resources.
- **High Citizen Expectations:** There is very high public expectation on the county government in comparison to the available resources leading to dissatisfaction of the citizens whenever there are delays in implementation.

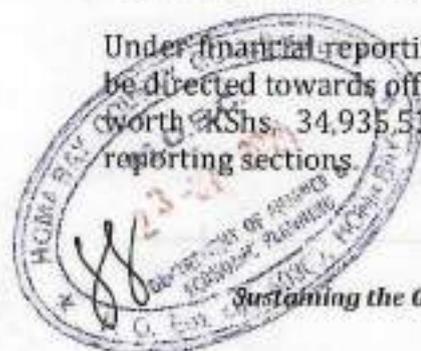

To address the challenges undermining the performance of the county department of finance and economic planning, several mitigation strategies are essential. Firstly, diversifying revenue sources, investing in robust economic forecasting tools, and developing contingency plans are crucial to manage economic volatility. Enhancing enforcement mechanisms, modernizing collection systems, and conducting taxpayer education campaigns will strengthen OSR collection. To manage wage pressure, conducting staff audits, implementing performance-based pay, and outsourcing non-core services can ensure optimal staffing and reduce costs. Addressing inadequate technical capacity involves continuous capacity-building programs, recruiting skilled professionals, and establishing partnerships with relevant institutions. Finally, effective communication with citizens, participatory budgeting, and focusing on incremental improvements will help manage high citizen expectations and build trust in government initiatives.

In this respect, the Board is finalizing verification of details of each employee as confirmed through the payroll audit.

Although, the board has been consistent in discharging its mandates, it has faced challenges such as budget constraints, which have limited the Board's ability to implement certain programs and services; staffing shortages in critical departments, leading to increased workloads and delays in service delivery and inadequate office accommodation, which has made it difficult to keep staff and information within safer environments.

To cope with those challenges, the Board has had to adopt cost-saving measures, rationalizing some expenditure while also seeking alternative sources of funding to ensure critical services are provided. The Board has also had to outsource some functions while also training existing staff to multitask and take greater responsibilities. Ultimately, the Board has been able to implement a strategic staffing plan that prioritizes recruitment and retention of staff in critical departments, and has implemented cross-training programs to address staffing shortages.

Budget Intervention

For the **FY 2024/25**, the County Public Service Board has identified the following investments that will impact its budget:

- a) Investments in efficient and transparent recruitment processes, including advertising vacancies, conducting interviews, and administering examinations, to attract qualified and competent individuals to join the public service.
- b) Investments in training and development programs that enhance the skills, knowledge, and competencies of public service employees, ensuring they are equipped to effectively perform their duties.
- c) Investments in performance appraisal systems, goal-setting mechanisms, and reward and recognition programs to promote a culture of performance excellence and accountability within the public service.
- d) Investments in competitive and fair remuneration packages, including salary scales, allowances, and benefits, to attract and retain talented individuals in the public service.
- e) Investments in development and enforcement of a code of conduct and ethics within the public service, promoting integrity, professionalism, and ethical behavior among employees.

- f) Investments in implementation and maintenance of modern systems, technologies, and digital platforms that enhance the efficiency and effectiveness of public service operations, including human resource management systems and e-recruitment portals, and
- g) Investments in knowledge-sharing platforms, databases, and learning programs to facilitate the exchange of information, best practices, and lessons learned among public service employees.

Already, the County Public Service Board has made some progress in each of these areas. However, ongoing investment is required in areas such as training and development, performance management, HR information management, and compliance with legal and regulatory frameworks.

In the FY 2024/2025, the Board has been allocated KShs. **69,457,403** which is distributed as follows:

- Under the general policy, planning and administrative services programme, **KShs. 66,557,403.**
- Under the personnel sourcing, management and development services programme, **KShs. 2,400,000**

VOTE 5123: COUNTY ASSEMBLY SERVICE BOARD

A. VISION

The County Assembly of Homa Bay envisions being 'A modern County Assembly that offers excellence in service delivery and leadership for the people of Homa Bay County.'

B. MISSION

The Assembly exists 'To exercise its legislative, oversight, representation and outreach functions effectively within the framework of the Kenyan Constitution and working with all those committed to building a productive and prosperous Homa Bay County.'

C. PERFORMANCE OVERVIEW AND CONTEXT FOR BUDGET INTERVENTION

County Assembly Mandate

The County Assembly is mandated to create avenues for representation of residents of respective wards, making of laws and policies necessary for the effective performance of county functions and oversight of the County Executive. This includes approval of plans and policies, vetting and approval of nominees for appointment to county offices, considering budget estimates and approval of borrowings by the County Government.

Performance Overview

The County Assembly Service Board was allocated KSh. 1,205,017,905 in the second supplementary budget estimates for FY 2023/2024, with KSh. 1,053,468,687 set aside for recurrent expenditure while KSh. 151,549,218 was to be utilized for development expenditure. Of the recurrent allocation, KSh. 119,448,000 had been set aside for a one-off MCAs Car reimbursement while KSh. 101,851,682 was to cater for the County Assembly Mortgage loan facilities. Out of this allocation, the County Assembly was able to disburse the car reimbursement allocation to all the 54 members of the 3rd Assembly in addition to enabling efficient legislation and oversight by operationalizing various County Assembly offices. Further, the County Assembly was able to prepare its Strategic Plan (2023-2027) which is currently in the stakeholder engagement stage.

On infrastructural development, the County Assembly Service Board was able to conclude the construction of new committee rooms which are ready for use and will enhance committee engagements and oversight, commenced the construction of the official Speaker's residence which is currently at 50%, installed CCTV surveillance within the premises to enhance security of the County Assembly, installed digital Hansard equipment in three (3) of the new committee rooms and awarded tenders for the construction of twenty (20) MCA offices at the Wards. These Ward offices are expected to be completed in this current financial year.

Priorities for the FY 2024/2025

In the FY 2024/2025, the County Assembly has been allocated a total of KSh. 1,169,724,894 with KSh. 1,027,160,105 set aside for recurrent purposes and KSh. 142,564,789 for development expenditure. Out of the recurrent allocation, KSh. 60,000,000 will cater for County Assembly mortgage loans. The County Assembly Service Board will continue to efficiently utilize its resources to strengthen various County Assembly offices, capacity-build Members and staff so as to enhance efficient legislation and oversight, and to embrace the use of modern ICT equipment and technology in its operations. It will also continue to prioritize the expansion and maintenance of existing infrastructure to provide ample and safe working spaces for Members and staff.

Specifically, the Board will dedicate resources to:

- Purchase of Motor Vehicle for the Speaker;
- Settlement of Pending Bills
- Complete and equip the construction of the 40 MCA Ward offices;
- Complete the Speaker's official residence;
- Upgrade the ICT Infrastructure within the Assembly
- Upgrade three remaining Committee rooms
- Renovate the County Assembly Plenary including replacement of the roof, ceiling, carpet and upgrading of the Hansard system

VOTE 5124: HOMA BAY MUNICIPAL BOARD

A. VISION

The Board envisions "A municipality of choice for all to invest, work, live and prosper in."

B. MISSION

The Board is working "To make Homa Bay Municipality more attractive and sustainable through effective policy formulation and implementation".

C. CONTEXT FOR BUDGET INTERVENTION

The Board was created to give effect to article 184 of the constitution, which provides for the classification, governance and management of urban areas and cities. Ultimately, the Board was mandated to make Homa Bay Municipality more attractive and sustainable through effective policy formulation and implementation.

The Board's success has often been hampered by lack of adequate technical and support staff and underfunding; lack of understanding of provisions of UACA and the Homa Bay municipality charter by key stakeholders thus leading to failure to hand over the functions of the municipality fully; bureaucratic challenges in payment of projects and procurement processes leading to delayed implementation; inadequate office space and working tools and equipment.

MAJOR OUTPUT TO BE PROVIDED IN FY 2024/25

For the FY 2024/25 the department has been allocated a total of Kshs. 78,617,779 consisting Kshs. 29,756,691 recurrent and Kshs. 48,861,088 for development Under *Policy, Planning and Administration Services Programme*, the recurrent funds will be channeled towards: Remuneration of staff at Kshs. 22,945,272; and general operations at Kshs. 6,811,419

Under the *Public Works and Infrastructure Improvement Services Programme*, the development funds will be channeled towards construction of bus park at Kshs. 5,000,000 and Kshs. 37,861,088 for KUSP-UDG whereas

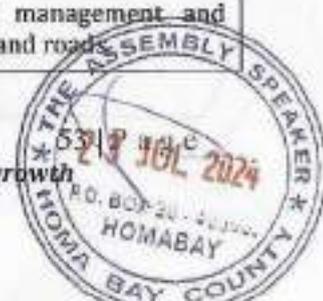

Under the *Housing and Urban Development Services Programme* the funds will be channeled towards acquisition and development of cemetery at Kshs. 4,000,000

For other infrastructural works, Kshs. 2,000,000 has been set to cater for the imminent pending Bills.

D. PROGRAMMES AND THEIR OBJECTIVES

PROGRAMMES	OBJECTIVE
P1: Policy, Planning and Administration Services	To provide overall policy and strategic direction for the transformation of the Homa Bay Municipality
P2: Public Works and Infrastructure Improvement Services	To promote effective development, management and maintenance of all municipal facilities and roads

Sustaining the GENOWA agenda for accelerated and inclusive economic growth

VOTE 5125: OFFICE OF THE DEPUTY GOVERNOR AND DEPARTMENT OF AGRICULTURE AND LIVESTOCK

A. VISION

An innovative, commercially oriented and modern agriculture and livestock development

B. MISSION;

To improve livelihoods of the people of Homa Bay County through promotion of sustainable, competitive and innovative agriculture, livestock development research development and sustainable land management.

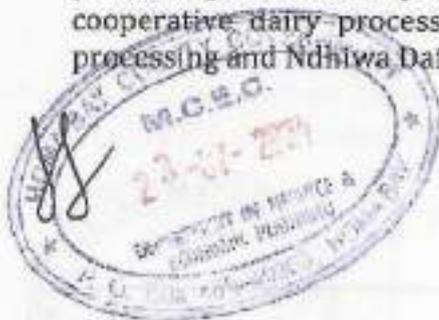

C. PERFORMANCE OVERVIEW AND CONTEXT FOR BUDGET NTERVENTION

The department is mandated to promote the development of a modern, competitive and sustainable agriculture and livestock sector that contributes to food security, economic growth and environmental sustainability.

Performance Overview

During the FY 2023/24 the department was allocated a revised total of **KShs. 667,550,680** out of which **KShs. 451,267,512** was for development and **KShs. 216,283,168** was for recurrent expenditures. The department has Increase agricultural productivity and food security through modernized farming techniques and technologies; strengthen animal health and disease control measures leading to improved livestock productivity; enhance access to markets and value chains for smallholder farmers; promote sustainable land use practices and natural resource management, reducing environmental degradation; support research and development to enhance the competitiveness and resilience of the agriculture and livestock sectors; support registration of 140,000 farmers for the government subsidized fertilizer programme; distribute 183 tons of seeds to 75,000 beneficiaries and through NARIGP promoted and supported registration of 20 SACCOs in each ward and supported them with Computers and Printers for automation of their services. Signed five MoU on establishment of cotton ginnery and Edible oils during Homa Bay County International Investment Conference.

Operationalization of investments in banana (Miriu Cooperative banana value addition, Matunda Cooperative banana aggregation and value addition & Wanyama Multipurpose Cooperative hardening of TCB and banana aggregation) cotton value chain (Pala Mechanization, Kochia mechanization, Lambwe mechanization and aggregation & Homa Bay Cotton Union cotton aggregation) chicken (Great Wang'chieng Poultry feeds processing & Karachuonyo Lolwe poultry hatchery and breeder farm) & Dairy (Kasbondo cooperative dairy processing, Hosrand cooperative dairy processing, Rangwe dairy processing and Ndiwa Dairy processing).

The department through the Agriculture Sector Development Programme (ASDP) supported 2,634 value chain actors in sorghum with 400 Kg, 250 granular based sea weed organic fertilizer, Liquid based sea weed organic ferry 70 litre, long chain fatty alcohol based reflectant antitrapirant 80 litre, 8 Sorghum grains Digital Weighing scales, 8 Moisture tester, 8 Racks, 8 Sorghum Bag Sealing machines, 2 Sorghum Posho Mill, 8 Sorghum Weighing Scales, 2 sorghum package Sealer, 40 Turpurlines and 500 PIC bags and 3 sorghum threshers.

The Department's success has often been hampered by inadequate allocation and failure to release funds for the implementation of the sectoral activities; late disbursement of funds to the departments thus hampering implementation of planned activities; loss of inputs through sale to other regions; low adoption of modern production technologies; limited number of technical extension staff; inadequate utility motor vehicles, motor cycles and boats; low funding levels; inadequate reliable input supply chains; slow payment of pending bills; lack of strong farmer organizations; high cost of production; pests and diseases, natural disaster etc.

Going forward, in bid to address these challenges, the Department shall: prioritize projects and programs of great impact to the residents; develop policies that will instill penalties; budget for pending bills and promote prompt payment on a FIFO method; develop reliable linkages to markets access; leverage Public-Private Partnerships to develop alternatives to purely public and philanthropic investments; promote awareness of climate smart agriculture to enhance food production and encourage environmentally friendly farming practices.

Intervention Context

In the **FY2024/25**, the Department has been allocated a total of **KShs. 473,019,173** which includes **KShs. 210,480,293** for recurrent and **KShs. 262,538,880** for development purposes to fulfill specific programmes and address pressing needs and achieve desired outcomes:

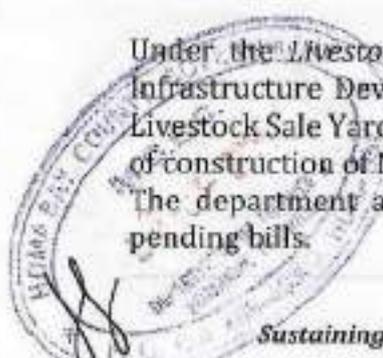

Under the *Policy, Planning, General Administration and Support Services*, the department has provided for remuneration of staff at **KShs. 190,553,525**; routine operations at **KShs. 11,479,618** and **KShs. 8,447,150** for Agriculture and Livestock Divisions respectively that shall be used also to formulate County Extension Strategy and Capacity Building of Staff.

Under the *Crop, Land and Agribusiness Development Services*, the Department plans to invest **KShs. 20,499,430** for improvement and operationalization of Kendu Bay Agricultural Show ground.

Under the *Food Security Enhancement Services*, the Department plans to invest **KShs. 5,000,000** for construction of Ramula Cereal Depot, **KShs. 156,515,152** for National Agricultural Value Chain Development Project (NAVCDP) and **KShs. 10,918,919** for Kenya Agriculture Business Development Project (KABDP).

Under the *Livestock Development Services*, the Department shall invest in Livestock Infrastructure Development system services at **KShs. 7,844,379** by establishing 3No. Livestock Sale Yard (Cattle ring) at Nyakwere, Nyangweso and Kipasi, **KShs. 10,500,000** of construction of Ndhiwa, Rangwe and Magunga Slaughter House.

The department also has allocated **KShs. 8,261,000** towards settlement of accrued pending bills.

VOTE 5126: DEPARTMENT OF GENDER EQUALITY AND INCLUSIVITY, YOUTH, SPORTS, TALENT DEVELOPMENT, CULTURAL HERITAGE AND SOCIAL SERVICES

A. VISION

The department envisions a sustainable, inclusive, equitable and socio-culturally developed county offering vibrant sports, recreation and economic empowerment for all.

B. MISSION

The department exists to formulate, mainstream and implement responsive policies through coordinated strategies for sustained and balanced socio-cultural, sports, recreation, empowerment of vulnerable, marginalized groups and areas for economic development of the county.

C. PERFORMANCE OVERVIEW AND CONTEXT OF BUDGET INTERVENTION

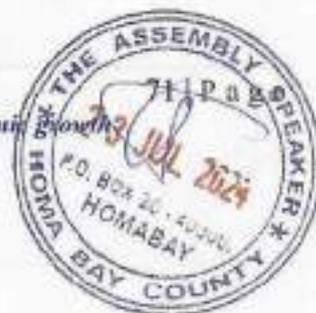

The department has been mandated to promote social inclusion and balanced socio-cultural development through recreation and cultural development activities, competitive sports and empowerment of vulnerable and marginalized groups. Consequently, the department focus will be on formulating, mainstreaming and implementing responsive policies and strategies towards uplifting disadvantages populations while making communities livable and vibrant.

To accomplish its mandate, the department was allocated **KShs. 213,221,676** including **KShs. 144,121,334** for development and **KShs. 69,100,342** for recurrent expenditures in the Revised Estimates budget for the FY 2023/2024. Under Culture and Creative Sector Development Services programme, the department was able to promote cultural practices and initiated the development of a Cultural Center at Ndiru Kagan. Under the Social Services and Women Empowerment programme, the department undertook teenage pregnancy campaigns in the county, sensitized the public on Sexual Gender Based Violence, facilitated women empowerment programmes and the launch of the County SGBV Policy. Under Management and Development of Sports and Sports Facilities programme, the department oversaw the ongoing construction of the Homa Bay County Stadium to 95% completion status as well as sports talent development programmes.

The department continues to experience challenges of the weak legal, regulatory, policy and institutional framework, delay in facilitation of programmes and initiation of procurement processes for projects. To address these challenges, the department has prioritized development of policies and legal frameworks to guide each programme. Equally, all initiated procurement processes will be at the beginning of the year to enhance absorption of development funds.

Sustaining the GENOWA agenda for accelerated and inclusive economic growth

VOTE 5128: DEPARTMENT OF BLUE ECONOMY, FISHERIES, MINING AND DIGITAL ECONOMY

A. VISION

The department envisions 'An innovative, commercially-oriented and modernized blue economy, fisheries, and mining sector supported by a vibrant digital economy'.

B. MISSION

To unlock and expand the minerals and blue economy to unleash its full economic potential and harnesses the power of technology and innovation to achieve the full potential of the fourth industrial revolution (4IR) and sustainable development.

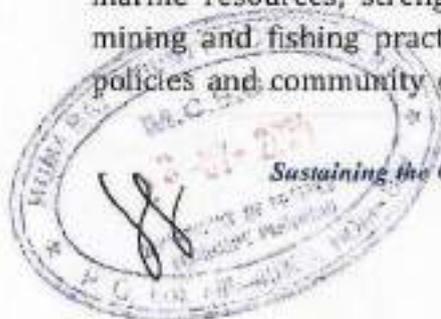

C. CONTEXT FOR BUDGET INTERVENTION

The department's mandate is to manage and protect the county's blue economy, fisheries, mining and digital sectors while promoting innovation, growth and equitable access to development opportunities.

The Department was instituted in the FY 2022/23 and over the period it has: improved management and protection of lake resources through promotion sustainable fishing practices in partnership with Beach Management Units; identified policies and regulations to support the growth of the fisheries, mining, and digital sectors; encouraged innovation and technology adoption in all government sectors, leading to increased efficiency and productivity; facilitated equitable access to aquaculture opportunities, thus reducing pressure on the capture fisheries resources; promoted inter-county and inter-national cooperation and partnerships across the Lake Basin to address shared challenges and opportunities in Lake Victoria.

Despite of the above achievements, the department had to contend with a number of challenges among them overfishing and unsustainable exploitation of resources in the lake and along the riparian areas; environmental degradation and pollution from sand mining activities; inequitable access to digital resources, leading to social and economic disparities; limited technological and human resource capacity in these sectors; inadequate legal, institutional and policy frameworks.

Going forward, the Department has laid mitigation measures to these challenges which include: implementation of science-based management and conservation measures for marine resources; strengthening environmental regulations and promoting sustainable mining and fishing practices; ensuring equitable access to resources through inclusive policies and community engagement; investing in research and development to enhance

Sustaining the GENOWA agenda for accelerated and inclusive economic growth

technological and human resource capacity and promoting inter-agency coordination and stakeholder engagement to address governance challenges.

In the Financial Year 2023/2024, the Department had been allocated total of Kshs. 200,236,892. which included Kshs. 96,286,892 for recurrent and Kshs. 103,950,000 for Developments purposes. During the First Supplementary the Budget was Revised to a total of Kshs. 202,746,314 which comprised Kshs. 96,286,892 for Recurrent and Kshs. 106,459,422 for Development, Subsequently the II Supplementary was Revised to a total of Kshs 161,857,538 which was included Kshs. 93,286,892 for Recurrent and Kshs. 68,570,646 for Development.

In this FY 2024/2025, the Department has been allocated a total of KShs. 184,589,978 which includes a Recurrent of Kshs. 90,898,817 and Development of Kshs. 93,691,161 respectively.

- Under the *General Administration, Planning and Support Services Programme*, the department takes care of Staff remuneration and welfare together with routine office operations, This FY the Department intends to hold BMUS Election and also hold World Fisheries Day.
- Under the *Blue Economy and Fisheries Resources Development Services Programme* the funds will be channeled towards, construction of 10 Pit latrines, construction of 10 Fish Bandas, Purchase of Agricultural materials (Predator Nets, Bird Nets, Pond Nets,), Landscaping and beautification of the beach front and Construction of Beach Front Promenade.

VOTE 5129: DEPARTMENT OF EDUCATION, HUMAN CAPITAL DEVELOPMENT AND VOCATIONAL TRAINING

A. VISION

The department envisions 'a globally competitive education, training, and innovation for sustainable development.'

B. MISSION

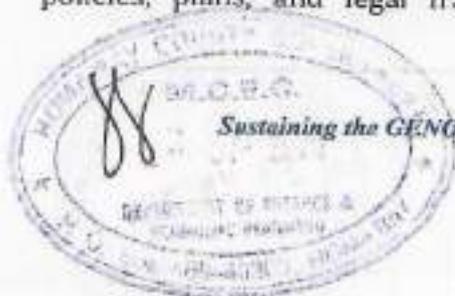

The department exists 'to provide, promote and coordinate quality education and training, integration of information, communication, technology, and innovation in a sustainable socio-economic development process.'

C. PERFORMANCE OVERVIEW AND CONTEXT FOR BUDGET INTERVENTION

The department is mandated to implement curriculum programs that are play-based, child-centered and promote social and emotional development and support early literacy and numeracy skills; ensure teachers are well-trained and equipped to provide high-quality early childhood education; promote engagement of parents and families in early childhood education; ensure early childhood education programs meet high standards of quality and effectiveness; deliver programs that provide hands-on training, job-specific skills, and industry certifications through classroom instructions, on-the-job training, and apprenticeships; develop partnerships with employers and industry groups to ensure training programs are aligned with the needs of the industry and the labour market and; provide industry-recognized credentials to individuals who complete vocational training programs.

During the previous MTEF period (2021/2022 – 2023/2024), the department has been able to improve infrastructure in learning institutions, provide bursaries and scholarship funds for needy and vulnerable students, and supply assorted teaching, training, and learning materials to both EYE and VTCs. Further, the department has enhanced collaboration with more development partners to realize more infrastructure and development initiatives in learning centers. Additionally, the department has been undertaking field assessments in all learning institutions while pursuing their ongoing ward-based projects and settling pending bills. The pending payments are mainly for the completed construction work.

However, during the implementation of the programmes, the department encountered several challenges that undermined the achievement of the set objectives, which included the untimely release of development funds by the county treasury; inadequate funding of planned projects/activities; and long procurement processes affecting the implementation of projects. To address these challenges, the department has prioritized the development of policies, plans, and legal frameworks to guide each program. Equally, all initiated

procurement processes have been set to commence at the beginning of the financial year to enhance the absorption of development allocation, especially ward-based projects.

For FY 2024/25, the department has a total allocation of **KShs. 1,331,301,659**, consisting of **KShs. 1,246,301,659** for recurrent and **KShs. 85,000,000** for development. The resources will be directed as follows;

- Under General Administration and Quality Assurance Services, the department has provided a total sum of KShs. 984,173,791 for compensation to employees and a total sum of KShs. 47,127,868 for general operations and maintenance costs.
- Under Early Years Education Services, the department has provided a total of KShs. 13,290,000 towards the purchase of teaching and learning materials for EYE centers, KShs. 5,000,000 towards the refurbishment of EYE Sub-County offices, KShs. 20,000,000 towards completion of the ongoing construction of ward-based classrooms, and a total of KShs. 25,000,000 towards the settlement of pending payments.
- Under Human Capital Development and Vocational Training Services, the department has provided an allocation totalling KShs. 215,000,000 towards Governor's Scholarships and Bursary Funds, a total of KShs. 3,500,000 towards the purchase of training and learning materials for VTCs, a total of KShs. 10,000,000 towards the purchase of tools and equipment for VTCs, a total of KShs. 7,500,000 toward renovation and refurbishment of VTCs, a total of KShs. 7,500,000 towards the construction of classrooms in VTCs and a total sum of KShs. 10,000,000 for the construction of 2No twin workshops at Lambwe and Kotora VTCs.

D. PROGRAMMES AND THEIR OBJECTIVES

Programme	Objectives
CP1: General Administration and Quality Assurance Services	To provide effective and efficient coordination and support services to directorates and departments and ensure quality teaching and learning in all educational institutions
CP2: EYE Services	To provide quality EYE education to every child in the county
CP3: Human Capital Development and Vocational Training Services	To enhance access to vocational education/training and develop skills, competencies, knowledge, and right attitudes towards improving employment prospects and realizing potential.

VOTE 5130: DEPARTMENT OF PUBLIC HEALTH AND MEDICAL SERVICES

A. VISION

The vision of the county department of health is to become and remain a county free of preventable diseases and controllable ill health.

B. MISSION

The Mission of the Department is to provide sustainable, technologically driven, evidenced-based and client-centered healthcare services.

C. PERFORMANCE OVERVIEW AND CONTEXT FOR BUDGET INTERVENTION

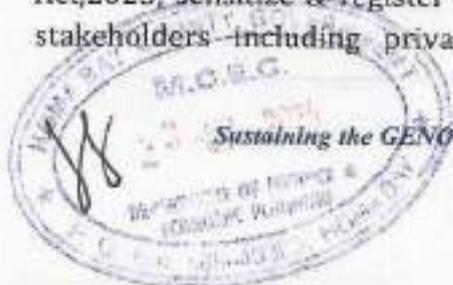

The department is mandated to build a progressive responsive and sustainable technology-driven, evidenced based and client-centered health system for accelerated attainment of the highest standards of health to the people of Homa Bay County. To achieve the rising cases of Non-Communicable Diseases, and Maternal Neonatal Child and Adolescent morbidity, the department is committed to strengthening its domestic health financing strategy through Operationalization of its FIF Act, 2023.

The total approved budget for the FY 2023/24 financial year was Ksh. 3,136,718,260 (recurrent Ksh 2,531,816,248 and development Ksh 604,902,012). The budget was revised down to KSh. 2,759,978,523 (recurrent Ksh.2,502,832,931 and development Ksh.257,145,592) in supplementary 2. The total revenue collection for FY 2023/24 was Ksh.833,942,119.50 providing 79.34% of the targeted collection.

The achievements during this period include: establishment of Health Facility Improvement Financing Act, 2023, harmonization of FIF Act, 2023 with SHIF (on-going), elevation of the county hospital to a level 5 facility, improved sanitation with 325 villages declared ODF, Mass distribution of Long-Lasting Insecticide treated nets, operationalization of the mobile clinic for

Outreaches, refurbishment of maternity and newborn unit at county referral hospital, procurement of linen, purchase of anesthetic machine for HBCTRH, improved coverage for services and improved commodity stock rate from 40% to 70%.

During the implantation of her mandate, the department has experienced challenges such as rising pending bills, tightening fiscal space from country treasury that has greatly impacted the implementation of programs and activities in the department, low staffing levels vis a vis the existing number of health facilities, delayed reimbursement of NHIF, delayed release of funds from county treasury to facilities, and reduction on donor funding. To address the challenges, the department will strengthen policy framework & implementation of FIF Act, 2023, sensitize & register households on SHIF, strengthen collaboration with various stakeholders including private partners, enhance capacity of health facilities both

infrastructure development & equipment and improve working condition to ensure quality service delivery

Context for budget intervention FY2024/25

During the budget estimates 2024/25, the department has allocated its financial resources as follows:

- Under policy planning and administrative support services programme, the KSh. 2,281,207,453 allocations shall be directed towards payment of salaries of health workers and administrative support at KSh.2,264,067,453; Policy, Planning and Monitoring Services at KSh.17,140,000
- Under preventive and promotive health services programme, the KSh.240,620,000 allocation shall be directed at operationalization and improvement of facilities linked to community units at KSh.145,000,000, Community health services at KSh.89,620,000 and Disease Control Services at KSh.6,000,000.
- Under the curative and rehabilitative health services programme, the KSh.389,890,936 allocation shall be directed towards Routine medical health services at KSh.110,890,936; Facility infrastructure improvement services KSh.275,000,000 and medical emergency response services at KSh4,000,000
- Under the research and development services programme, the KSh.3,000,000 allocation shall be directed to; KSh.2,000,000 research and surveillance services and KSh.1,000,000 shall be directed towards capacity development services

VOTE 5131: DEPARTMENT OF LANDS, HOUSING, URBAN DEVELOPMENT AND PHYSICAL PLANNING

A. VISION

The department envisions "excellence in land management, proper housing and physical planning for sustainable development of Homa-Bay County."

B. MISSION

The department exists 'to facilitate improvement of the livelihood of Homa-Bay County residents through efficient administration, equitable access, secure tenure, proper housing and sustainable management of Land resource.'

C. CONTEXT FOR BUDGET INTERVENTION

The mandate of the department is to promote equitable and sustainable use of land, provide affordable housing, and plan and develop liveable and resilient urban spaces. This means having a spatial framework to guide and control development in the county, improve housing conditions, establish and strengthen urban institutions towards sustainable urbanization, implement local/national and international obligations in the field of human settlement management, build climate resilience of the urban poor, spearhead sustainable urban lakefront planning and development and improve service delivery and coordination of department wide functions, programs and activities.

Summary of Achievements FY 2022/23-23/24

During the FY 2022/23-23/24, the department has been able to construct an Ablution Block at the Lands Office; prepare an inventory of all public lands, a valuation roll for Homa Bay Municipality; settle pending bills related to the GIS Lab and SymbioCity Change Project; process land ownership for the affordable housing project in Homa- Bay Municipality, the proposed Tom Mboya TTC in Rusinga Island, the proposed Sports Talent Centre in Ndhiwa, the proposed Cultural Centre in Kagan, the renewable Energy Centre in Marindi and the industrial Park in Riwa- Karachuonyo; grant charters to additional four municipalities in the county; improve informal settlements in Kijijini Kendu-Bay and Ndhiwa through planning and Land Tenure; acquire land for future development; renovate the deputy governor's residence, acquire a survey equipment, recruit laborers under the Labor Intensive Community Work in KISIP 2 Socio-Inclusion Component.

Challenges and Mitigation Measures

In the course of implementing the FY 2022/23-23/24 budget, the department had to deal with a number of constraints and challenges, including inadequate technical staffing levels especially for surveyors, physical planners and valuers; lack of vehicles for field work which hinders revenue collection as well as survey and planning of field work; delay in disbursement of funds from the national treasury resulting into delay in settlement of pending payments for work already done; and inadequate coordination with National Government and other actors on matters land.

To deal with the aforementioned challenges, the department has prioritized the implementation of land use policies and regulations to ensure equitable and sustainable use of land; identification and acquisition of suitable land for housing and development through land banking and partnerships with private sector developers; diversification of funding sources through public-private partnerships, international development agencies, and innovative financing mechanisms such as land value capture; promotion of public-private partnerships to mobilize resources and increase housing and infrastructure development; lobbying for additional funding and resource allocation for key development projects; and establishment of effective coordination mechanisms among stakeholders, such as interagency committees and public participation platforms.

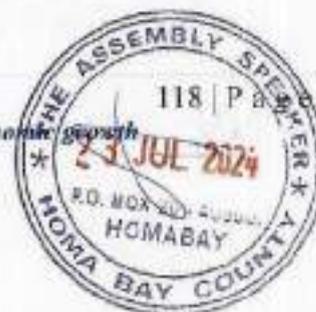

Planned Outputs for the FY 2024/25

For the FY 2024/25, the department has been allocated KSHs. 1,154,334,334 consisting of KSHs. 1072,020,992 and KSHs. 82,313,342 Development and Recurrent Expenditure Respectively

- Under *Lands and Physical Planning Services Programme*, the KSHs. 41,500,000 will be geared towards Development of County Spatial Plan for KSHs. 10,500,000; Digitalization of Land Records for KSHs. 10,000,000; Pending Bills for KSHs 21,000,000

VOTE 5132: DEPARTMENT OF TRADE, INDUSTRY, TOURISM, COOPERATIVE DEVELOPMENT AND MARKETING

A. VISION

The department envisions being 'A leading department in driving sustainable socio-economic transformation through tourism, investment, industrialization, and entrepreneurial growth for a prosperous and inclusive county economy.'

B. MISSION

The department exists 'To catalyze and accelerate the industrialization of Homa Bay County through enhancing business environment, supporting entrepreneurial growth, improving tourism and investment offerings, stimulating sustainable industrial and cooperative development for efficient service delivery.'

C. PERFORMANCE OVERVIEW AND CONTEXT FOR BUDGET INTERVENTION

The Department's mandate is to promote, coordinate and implement integrated socio-economic policies and programmes for a rapidly industrializing economy. This will be achieved through business environment improvement, promoting the growth of entrepreneurs and improving governance, marketing, and investment; stimulating sustainable industrial and cooperative development through value addition, tourism, industrial research, technology and innovation and creating an enabling environment for investment; and ensuring efficient service delivery through prudent management of public resources.

Performance Overview

In the FY2023/2024, the department was allocated a total of KShs. 715,479,514, with KShs. 160,259,292 for recurrent expenditures and KShs. 555,220,222 for development projects. The department achieved significant milestones, including hosting an international investment conference from February 27th to 29th, 2024, themed "Unlocking the Bay of Endless Potential." This event attracted over 3000 delegates and nine investors, leading to the signing of MOUs worth approximately KShs. 17.3 billion. The department also facilitated the gazettelement of Riwa as a Special Economic Zone on January 23rd, 2024, under the Special Economic Zones Authority Act of 2015. Additionally, the successful Miss Tourism beauty pageantry was held, starting with sub-county auditions on October 13th, 2023, and culminating in the final event in November at Tourist Hotel, Homa Bay.

Further accomplishments included initiating the development of phase 1 of Lake Simbi Nyalma, collaborating with the National Government on the County Aggregation and Industrial Park at Riwa, and formulation of the County Cooperatives Policy. The department registered 120 new cooperative societies, revived ten, and conducted public sensitization

forums for various groups, leading to the formation of numerous new societies. Moreover, training and capacity building were provided to sixty cooperative societies and their officials, supported by development partners such as NARIGP, NURU, and Practical Action.

Challenges and Mitigation measures

Implementation of the Medium-Term Expenditure Framework (MTEF) budget for FY2023/24 faced several challenges: late disbursement of development funds, prolonged procurement processes delaying project implementation, historical pending bills affecting budget allocations, unavailability of public land for enterprise development, and delays in enacting the County Government Additional Allocation Act (CGAA) 2023, which impacted the timely execution of priority projects.

To address these challenges, the department proposed to allocate a portion of its annual budget to settling pending bills, collaborate with the procurement department to expedite project advertisements and tendering, ensure the availability of public land for investment, and continuously lobby investors and development partners to seize opportunities within the county. Additionally, the department set out to enhance the collection of Appropriation In Aid (A-I-A) to boost local revenue and ensure timely project implementation.

Budget Preparation Context

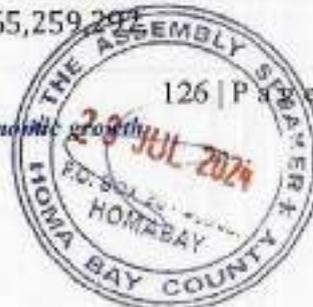

In the FY2024/25, the department has been allocated KShs 370,464,219, with KShs 165,259,292 for recurrent expenditures and KShs 205,204,927 for development. The expected outputs are as follows:

Under the Trade, Cooperatives and Entrepreneurship Development Services programme, the department has prioritized ward-based projects at KShs. 40,000,000; pending bills at KShs. 21,204,927; the SME Development Fund at KShs. 42,000,000; construction of a Rehabilitation centre in Homa Bay Town at KShs 8,000,000; boda boda revolving fund, enterprise and cooperative development services at KShs. 10,000,000; market maintenance services at KShs 20,000,000; and market relocation at KShs. 20,000,000.

VOTE 5139: OYUGIS MUNICIPAL BOARD

A. VISION

The Board envisions "A municipality of choice for all to invest, work, live and prosper in."

B. MISSION

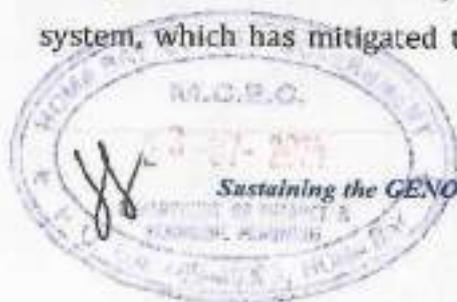

The Board is working "To make Oyugis Municipality more attractive and sustainable through effective policy formulation and implementation."

C. CONTEXT FOR BUDGET INTERVENTION

The Board was created to give effect to Article 184 of the constitution, which provides for the classification, governance and management of urban areas and cities. The Board was mandated to make Oyugis Municipality more attractive and sustainable through effective policy formulation and implementation.

Performance Overview

Oyugis Municipal Board has undertaken strategic initiatives to enhance infrastructure, foster community engagement, and fortify administrative structures. The Municipality collaborated with KENHA to install 84 state-of-the-art streetlights and a pedestrian walkway from DTB to Winimum Hotel. The projects have increased safety and security and proved Oyugi's commitment to urban development. Moreover, the Board's organized 5No. public forums, 1No. major stakeholder dialogue, supported by KCB and Equity Bank, established a 54-member diaspora committee dedicated to resource mobilization. The Board also organized community reconciliation efforts at Athousand Street and CBD cleanup campaigns to promote social cohesion and revitalization. Through the cleaning campaigns, the residents have actively maintained cleanliness, reduced waste accumulation, enhancing overall environmental hygiene and contributing to a healthier and more attractive living environment. Additionally, the Municipality inaugurated the Rodi Kakuom Market, which has promoted economic empowerment. Lastly, the Board constructed a 9km drainage system, which has mitigated the risk of flooding during heavy rains. These channels are

strategically placed to redirect excess water away from residential areas and vital infrastructure, ensuring the safety and well-being of the community.

Planned Outputs for the FY 2024/25

In the FY 2024/25, the Board has been allocated **KSHs. 37,633,620**, which includes **KSHs. 12,833,620** for recurrent and **KSHs. 24,800,000** for development purposes. The Board has allocated the funds as follows:

- Under *Policy, Planning and Administration Services Programme*, the recurrent funds will be channeled towards: Policy and plan development at **KSHs. 705,831**; remuneration of staff at **KSHs. 6,556,056**; Facilitating M&E and general office operations at **KSHs. 5,571,733**.
- Under the *Public Works and Infrastructure Improvement Services Programme*, the development funds will be channeled towards construction of 2 waste transfer stations at **KSHs. 2,500,000**, construction of 2 *Bodaboda* shades at **KSHs. 500,000** and **KSHs. 16,800,000** for KUSP-UDG, whereas
