## PRELIMINARY

A word of prayer was led by Mr. Oliver Omoth

### MINUTE 1/06/2023; WELCOMING

The Chief Officer Mr. Charles Obondo welcomed all the Members, he then welcomed the Municipal Manager to introduce his team, He invited the Municipal Chair who introduced the Municipality Board members, and thanked all for coming

The Chief Officer introduced a team of staffs from the Lands, Housing, Physical Planning and Urban Development including the Facilitators

He then stated that the main reason for involving the public was for the stakeholders to discuss the matters affecting their Municipality and the Way forward.

### CECM REMARKS

The CECM Dr. Peter Ogolla said that the Municipality worked together with the government and their most activities were being funded by the World Bank. *country*

The CECM also emphasised on team work and finding ways on how to solve the problems within the Market without offending anyone.

The CECM also said that during the swearing in ceremony, at the Governor's Office, a task was given to the five Municipalities to work hard and the Homabay Municipality promised to be on the forefront as other Municipalities follows.

On the issue of livestock, the CECM advised that no livestock should be found loitering in Town and instead the owners should take charge or they be Zero grazed.

### MINUTE 2/06/2023 MATTERS ARISING ON SOFIA MARKET

The Chief Officer suggested that while planning the town, there was a need to find an alternative ground for Sofia Market. *(IDEP)*

Mr Jacktone Olielo the Ass. Chief for Arujo Location while reacting to the issue of Sofia Market said that there was a total congestion at the market and even at the Road side which was so risky. He added that despite the effort to find a land it has not been easy on their side. He therefore asked the Municipality Officials if they can find a land to lease so as to relocate some traders.

### FACILITATION FROM THE BUDGET AND ECONOMIC PLANNING

On his presentation, Mr Mohamed from the Budget and Economic planning department started by stating some functions of the Municipality as

- Fostering Economic growth and create job opportunities
- Good health and lifestyle
- Transport-street lights, bumps, and green space
- Regulations-Management of towns

- ✓ Concerning the parking zones, the manager said that the County government was working on the rehabilitation of the bus park, he also informed them that, the contractor had requested for the extension of time to 30 days so as to complete the work.

## PRESENTATION ON <sup>H/Bay Municipality</sup> SOLID WASTE MANAGEMENT-<sup>Plan Area</sup> URBAN SOLID WASTE MANAGEMENT POLICY

Mission-to minimise waste generation

A survey was done in Homabay and Mbita Municipality and the findings were as follows

The Homabay produces 40 tonnes of solid waste due to growth in population

### OBJECTIVES

- Provide adequate solid waste handling equipment.
- Develop one dumpsite at each sub county to maintain waste sorting, establish and improve waste management infrastructure
- Adequate financing for solid waste imposing fines to waste disposers
- Formulation of adequate policy to develop action plans
- Scaling up the waste generation
- Enhancing technical and capacity to handle solid waste management
- Mainstreaming prostrating issues,

### REACTIONS FROM THE PUBLIC

Mr. Wilson inquired whether there was public participation engaging the public on the subject.

[Mr. Paul Ondiany also inquired to know whether the NEMA office was only dealing with the Solid waste and omitting the liquid waste.

Mr. Omoth raised a concern on the completing of fencing of the market which is increasing insecurity, hence forced the traders to dig deep into their pockets to hire a security guard, he therefore requested the Municipality Office to deploy some Enforcement officers to guard their property.

Mr. Benard Otieno reacted by saying that only other counties were benefiting from the garbage collection and asked if there was any plan for the municipality to recycle the garbage within the County so as to encourage more Industries.

Mr <sup>Richard Opiyo</sup> ~~Michael Oywa~~ requested to know whether the Bodaboda sector was involved in the waste management project, he continued by saying that other sectors had been considered in the allocation but bodaboda sector was forgotten

While reacting to question raised regarding environment, Madam Florah Akinyi said that some cleaners had been trained within the two Municipalities which is Homabay and Mbita and a certificate was issued to them, hence they were expected to disseminate the information to the public.

She also proposed for a drainage system to be constructed in a manner that would benefit all, and that activities such as unlocking the drainage be integrated so as the actors involved can advise the technical department to design it in a way it doesn't affect water

The director Budget Mr. Bolo also enlighten the public on industrialization saying that there was a proposal for all the industries be relocated to RIWA, And as the stakeholder we should look at what we can do to improve our economy.

*Review H/B*

### PRESENTATION FROM THE PHYSICAL PLANNING DEPARTMENT

Madam Norsea facilitated on some matters regarding the Local physical and Land use plan 2019-2020 and some were the highlights

- Municipality population is <sup>approx</sup> around 82,414 *Thousand*
- Most lands are under free hold *82,414*
- The municipality can acquire its own land for development
- In the proposal given, the IDEP generated, they mentioned the hospitals and schools were also captured in the plan.
- How to improve the tourism, hotels
- Maintaining and opening new roads
- Shortage of housing was also captured

### REACTION FROM THE PUBLIC

The Market chairperson asked whether there was other revenue collection from the Municipality apart from the County Government

He continued by saying that there was scarcity of land, and most houses were mabati structures and there was a need to upgrade them to a better one

Mr Bolo reacted to the question regarding the revenue collection raised by the Market chairperson that the Municipality charter will tell the jurisdiction concerning the revenue collection

Concerning the slums and mabati structures, the Municipality will come up with a required number of houses within an estate *(Standard Plan)*

The land lease within the CBD has expired but consultation is going on how to renew it.

The Municipality will have different programmes enacted to empower the youths and women e.g. both the youths and women were nominated to be as Municipal Board Members.

Being no any other business, the meeting was adjourned at 3:00pm led by a word of prayer from one member Mr. Oliver Omoth.
