CHAPTER FOUR: CHALLENGES AND RECOMMENDATIONS

4.1 Challenges in FY 2024/25 Budget Implementation

Homa Bay County faced several fiscal and operational challenges that affected effective budget execution:

- **Revenue Gaps** ; The County realized KShs. 11.83 billion against a target of KShs. 13.13 billion (90%), with own-source revenue performing at only 78%, highlighting persistent weaknesses in local revenue mobilization.
- **Dependence on National Transfers**: Over 70% of total revenue came from the equitable share, exposing the budget to delays in disbursement.
- **Underperformance in Development Expenditure**; Development absorption was 64% (KShs. 3.33 billion of KShs. 5.19 billion), reflecting slow project execution.
- **Low Operations and Maintenance Utilization** ; The County Executive spent only 44% of its operations and maintenance budget.
- **Delayed/Under-Disbursed Conditional Grants**; Shortfalls in conditional funding reduced fiscal space for sectoral programs.
- **High Wage Bill Pressure** ; Employee compensation consumed 49% of total revenue, with the health sector alone taking up 41.8% of the wage bill, limiting fiscal flexibility.

4.2 Recommendations

- **Strengthen Own-Source Revenue Collection**; Enhance compliance enforcement, expand the tax base, and curb leakages to achieve at least 90% of the annual Ordinary OSR target.
- **Diversify Funding Sources**; Promote Public–Private Partnerships (PPPs), explore municipal bonds, and expand local levies to reduce overdependence on national transfers.
- **Accelerate Development Spending**; Streamline procurement processes, implement multi-year contracting for large projects, and strengthen project management capacity to achieve at least 85% development absorption.
- **Improve Expenditure Efficiency**; Reallocate resources from underperforming budget lines to priority areas and adopt quarterly expenditure reviews to address bottlenecks in fund absorption.
- **Engage for timely and full disbursement of Conditional grants**; Maintain continuous dialogue with the National Treasury and development partners to ensure predictable flow of grants and other external funds.
- **Manage the Wage Bill**; Align recruitment to budget capacity to free up funds for development and service delivery.
