## RE: INVITATION TO COMMUNITY ENGAGEMENTS ON CLIMATE CHANGE PRIORITY INVESTMENTS FOR THE FY 2024-2025

Article 10 of the Constitution enshrines the national values and principles of governance which calls for the participation of the people in governance. Section 87 of the County Governments Act, 2012 obligates the County Government to give citizens access to the process of approval of development proposals, projects and budgets.

To ensure transparency and engagement of citizens in the planning and implementation of climate change mitigation and adaptation projects, you are invited to participate in community engagement sessions as enumerated in the schedule below:
