ON NOMINATION OF PERSONS TO SERVE HOMA BAY COUNTY AS:

- 1. COUNTY EXECUTIVE COMMITTEE MEMBERS**

- 4. GOVERNORS DELIVERY UNIT**

I remain grateful to the People of Homa Bay County for granting me the opportunity to serve as the First Female and Second Governor of the County.

Following my assumption to the Office of the Governor on 25th August 2022, I have had the pleasure of consulting and engaging with many people from Homa Bay who would wish to offer themselves for service of the County. I set up a selection process through the 100 Days Taskforce that I gazetted and had occasion to conduct suitability tests on the proposed nominees to fit their areas of expertise having due regard to the needs of the people of Homa Bay on matters of finance and governance, health, water, roads, education, agriculture, among others.

I have taken great care to address both **regional and gender balance** in the nominees and further accommodated areas of growth for our County for instance Blue Economy and Climate Change. I recently gazetted the departments and have prepared the Executive Order 1 with full details on the departments.

In line with Article 179 of the Constitution of Kenya 2010, it is now my pleasure to present the nominees to serve as County Executive Committee members in the departments identified starting with the **Deputy Governor H.E. Hon. Joseph Oyugi Magwanga** who I have allocated leadership of the **Agriculture and Livestock functions**.

For nominees to serve as **County Executive Committee Members**, I have dispatched a letter to the Honourable Speaker as the law requires CECMs to be vetted by the County Assembly. I trust that the named persons, once approved by the Assembly, will serve the County of Homabay and its people diligently and with utmost dedication.
